SHORT TERM LETS

Dear Sir,

MR. & MRS. DOUGLAS LAURIE, OWNERS OF
NO. 2 FERRY CRESCENT, PITLOCHRY HAVE DISPATCHED
A NOTICE APPLYING FOR SHORT-TERM LET LICENCE.

I am very concerned about this as there are
already three holiday houses in this little cul-de-sac,
two of which are businesses with short term lets.
Neighbourliness is just disappearing.

All these lets have cars each week for cleaners,
gardeners and other business, over and above
the people renting them. Car movements and
parking can be very difficult. Already neighbours
had to stop extra parking for No. 2 in spaces
owned by both residents on either side of them.

The cul-de-sac also has a water pumping station
and associated electricity box at this end. These
must be accessible at all times, so no parking
is available at these, other than their own vans.

Access to numbers 2, 3, 4 and 5 with turning
or reversing must be done with care. Strangers
every week would make this very difficult.

I strongly object to this being another holiday
week by week let. Please, for the owner
residents, do not grant this licence.

Sincerely,
