This vehicle reaches it's end of use age of 10 years on 13th March 2023. It is used for Perth & Kinross Council school contracts only, not general taxi work. The contracts expire on 30th June 2023. The vehicle will not be used for future contracts after this date. It is due a fitness test at Friarton in mid January which I have booked. My request is for an extension of the fitness certificate AND use of the vehicle until Friday 30th June as opposed to 13th March.

My reasons for asking are it would be bad business practice to purchase a replacement car to use as a Private Hire for 3 months. The vehicle has low mileage and is in very good condition. It also helps that it is a 6 seater which is ideal for the school contract.

I would be very appreciative if you would allow this change.
