Community Safety Committee

3 February 2016

THE ENVIRONMENT SERVICE SCHEME OF CHARGES 2016/17

Report by Director (Environment)

This report provides details of the charges in place within The Environment Service for financial year 2015/16 and the proposed charges for financial year 2016/17 as detailed in Appendix 1. Community Safety Committee are asked to consider and comment on the proposed charges as set out in Appendix 1 of this report. Final approval of charges will be determined by the Council in February 2016.

1. BACKGROUND / MAIN ISSUES

- 1.1 Section 9.1.1 of the Council's Financial Regulations state that a review of charges must be undertaken at least annually and a revised Scheme of Charges submitted to the relevant themed Committee for consideration.
- 1.2 The Corporate Charging policy approved by the Strategic Policy & Resources Committee on 23 September 2015 (report No. 15/401 refers) sets out the key principles to be followed when setting charges, charges in scope and the annual process to be undertaken in carrying out reviews of individual charges. This ensures consistency across the Council while allowing Services the flexibility to shape their approach/policy to meet the needs of customers.
- 1.3 Services are required to submit their proposed list of charges to themed Committees in January/February of each year in advance of setting the budget by the Council in February (report No.15/276 refers). This provides Committees with an opportunity to examine Service proposals and recommend charges, subject to final approval by the Council in setting the Revenue Budget for the year ahead.
- 1.4 All fees and charges should be set in line with the approved individual charging policy and fall into one of the following categories:

| Charging Strategy | Objective |
|--------------------------|---|
| Commercial Charges | The Council aims to cover the cost of providing the service and make a surplus. |
| Full Cost Recovery | The Council aims to recover the costs of providing the service from those who use it. |
| Subsidised | The Council wishes users of the service to make a contribution to the costs of providing it. This might meet a service objective or allow competition with other providers. |
| Free | The Council chooses to make the service available at no charge to meet a service objective. |

| Charging Strategy | Objective |
|--------------------------|---|
| Statutory | Charges are determined in line with legal requirements. |

2. PROPOSALS

- 2.1 The Environment Service provide a diverse and wide range of chargeable services to the public and business community ranging from burials and planning fees to parking and commercial waste.
- 2.2 The charging arrangements are set based on a combination of legislative requirements, national policy guidance, market competition and local guidance. As a result, there is a mix of discretionary and non-discretionary charges levied by The Environment Service. The annual review process considers a number of factors including an assessment of previous years' income, trends in user demand, inflationary pressures, potential to move to payment at point of sale, council revenue budget and savings targets, alternative charging structures and potential impact on vulnerable groups. The charging strategy and specific proposals for 2016/17 are set out below with a detailed breakdown of the proposed charges to be levied with effect from 1 April 2016 in Appendix 1.
- 2.3 All income generated by charges contributes to service budgets and ensures the continued development and delivery of services.

Trading Standards & Environmental Health – Statutory/Full Cost Recovery (Appendix 1 Items 2 & 3)

- 2.4 Charges are set in line with statute or national policy guidance, predominantly for statutory licencing and water sampling. Budgeted income in 2015/16 is £100k, nearly £80k of which is from water sampling. There has been no notification of any increase in statutory charges for 2016/17. It is proposed to increase non-statutory charges by 3% for 2016/17. Charges are predominantly levied by invoice.

Statutory Fixed Penalty Notices – Statutory (Appendix 1 Item 12)

- 2.5 Charges are set in line with statute. There has been no notification of any increase in charges for 2016/17. Charges are predominantly paid by cash, cheque or credit card.

3. CONCLUSION AND RECOMMENDATION

- 3.1 This report provides a summary of the proposed charges for 2016/17.
- 3.2 The Community Safety Committee are asked to consider and comment on the proposed charges as set out in Appendix 1 (Item 2, 3 & 12 Community Safety Committee).

1. Strategic Implications

Corporate Plan

- 1.1 The Perth and Kinross Community Planning Partnership (CPP) brings together organisations to plan and deliver services for the people of Perth and Kinross. Together the CPP has developed the Perth and Kinross Community Plan which outlines the key things we think are important for Perth and Kinross.
- i) Giving every child the best start in life
 - ii) Developing educated, responsible and informed citizens
 - iii) Promoting a prosperous, inclusive and sustainable economy
 - iv) Supporting people to lead independent, healthy and active lives
 - v) Creating a safe and sustainable place for future generations
- 1.2 It is considered that the actions contained within this report contribute to all of the above objectives.

Corporate Plan

- 1.3 The Council's Corporate Plan 2013-2018 outlines the same five objectives as those detailed above in the Community Plan. These objectives provide a clear strategic direction, inform decisions at a corporate and service level and shape resource allocation. It is considered that the actions contained in the report contribute to the objectives as outlined in paragraph 1.2 above. These objectives are met by implementing schemes which promote road safety.

2. Resource Implications

Financial

- 2.1 The impact of the proposed changes to 2016/17 charges have been incorporated into the Service's 2016/17 Revenue Budget for approval at Full Council on 11 February 2016.

3. Assessments

Equality Impact Assessment

- 3.1 Under the Equality Act 2010, the Council is required to eliminate discrimination, advance equality of opportunity, and foster good relations between equality groups. Carrying out Equality Impact Assessments for plans and policies allows the Council to demonstrate that it is meeting these duties. The Equality Impact Assessment undertaken in relation to this report can be viewed clicking [here](#), or a copy can be provided on request.
- 3.2 This section should reflect that the proposals have been considered under the Corporate Equalities Impact Assessment process (EqIA) with the following outcome:
- (i) Assessed as **not relevant** for the purposes of EqIA

Strategic Environmental Assessment

- 3.3 Strategic Environmental Assessment (SEA) is a legal requirement under the Environmental Assessment (Scotland) Act 2005 that applies to all qualifying plans, programmes and strategies, including policies (PPS). The proposals have been considered under the Act and no further action is required as it does not qualify as a PPS as defined by the Act and is therefore exempt.

Sustainability

- 3.4 Under the provisions of the Local Government in Scotland Act 2003 the Council has to discharge its duties in a way which contributes to the achievement of sustainable development. In terms of the Climate Change Act, the Council has a general duty to demonstrate its commitment to sustainability and the community, environmental and economic impacts of its actions.

4. Consultation

Internal

- 4.1 TES Service Managers with responsibility for the charges detailed in Appendix 1 have been consulted in the preparation of this report.

2. BACKGROUND PAPERS

- 2.1 No background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing the above report.

3. APPENDICES

- 3.1 Appendix 1 – TES Scheme of Charges 2016/17.
