

## **COP26**

Perth and Kinross Council welcomes the delegates of COP26 to Scotland and wishes Glasgow every success in their role as hosts. We recognise the importance of the conference and know that time is of the essence in our fight against the climate emergency.

We note the key goals of COP26 as crucial pillars in this fight and recognise their call to action around: Mitigation, Adaptation, Finance, and Collaboration.

Today we underline Perth and Kinross Council's commitment to being a leader in addressing climate emergency and promise to expedite and prioritise the Climate Action Plan.
