# **APPENDIX 2**

#### Zero Waste Perth - Year 2 Highlights

### Working with Giraffe

- · Pumpkin rescue at the Perth City Centre Halloween night engagement with over 100 city centre visitors
- · Train the trainer furniture upcycling sessions delivered to Giraffe volunteer coordinators

### Press Coverage

- · Major piece in the Courier recognising the work of Duncan Cameron's weekly coffee cup litter pick
- Coverage in the PA and Courier for the launch of the Zero Waste Walk-In at St John's Shopping Centre

### Zero Waste Space

- · Partnership agreement signed and construction commenced on space in February
- Work completed on Space by late April, official launch of the space in early June
- First workshops held, including sewing, presentations, upcycling, woodwork; many more planned.

### Community Workshops

- · Series of upcycling/upskilling workshops targeting communities delivered in partnership with Community Learning Development team
- · Two workshops delivered in North Muirton with a further four planned for delivery in the Learning Curve, AK Bell Library
- · Expected engagement with over 40 people across the series with highly positive feedback to date.

#### **Future Outcomes**

- Further resource efficiency training opportunities for business
- Tool Library created within Zero Waste Space
- Continuing development of Local Food Sharing Network
- Repair & reuse workshops for individuals/community groups
- Coffee Cup Project for Perth
- "Nudge" behaviour change intervention with two local high schools
- Christmas Re:Design market to promote locally made upcycled products.

Oct 2018

Jan 2019
