3. Notice of Motion in Terms of Standing Order 26 – *Motion by Councillors Willie Robertson and Ann Gaunt*

Given the pressure faced by our retail businesses in Perth and Kinross the Scottish Liberal Democrat group ask for a report to be brought before a future meeting of the Enterprise and Infrastructure Committee recommending ways of making the city of Perth and our burgh towns more visitor friendly.

The report will consider:

- 1) *Locations which would benefit from free short term parking and optimal duration of short stays.*
- 2) *Introduction of "Free after 3" or similar proposals which remove parking charges in the late afternoon to support late afternoon/night shopping.*
- 3) *Provision of better information on parking in Perth city e.g. maps showing location of car parks and zones and the charges that apply.*
- 4) *Payment options for the Canal Street Multi-storey Car Park MSCP and the introduction of a pay on foot system.*

All this will be done with the aim of helping to increase footfall for our retail businesses, safeguard Perth and Kinross as a retail destination and protect the many jobs which depend on the retail sector.
