Demand

Stop and search

Perth and Kinross Local Policing Area continue to utilise intelligence led stop and search. This is an important policing aspect in dealing with some of the issues presented by drugs, violence and crimes of dishonesty.

Searches conducted are on a statutory basis and a breakdown of negative and searches are as follows:

Data extracted from STORM Unity showing data from 00:00:00 on the first of each month until 23:59:59 on the last day of each month. Figures include all resourced incidents (except diary calls) including those which have been generated by police, e.g. pre planned events such as firearms operations or spontaneous deployment to deal with ongoing crime.

Grade 1: IMMEDIATE - An ongoing incident with an immediate or apparent threat to life or a serious crime in progress.

Grade 2: PRIORITY - Crime/Incident where there is a degree of importance or urgency associated with initial police action. Requires immediate attendance and would only be superseded by a grade 1 call.

Grade 3: STANDARD - Incident is not ongoing, however police attendance is required and the situation could be prejudiced by significant delay.

Grade 4: SCHEDULED - Crimes/Incidents which will not be prejudiced by a scheduled response, with police attendance at a mutually agreeable time.

Grade 5: NON - ATTENDANCE - Incidents that can be resolved by telephone or by some other which do not require police attendance.
