

PERTH AND KINROSS COUNCIL**Audit Committee****30 October 2013****INTERNAL AUDIT UPDATE****Report by the Chief Internal Auditor****PURPOSE OF REPORT**

This report presents a summary of Internal Audit's work against the 2013/14 annual plan.

1. BACKGROUND / MAIN ISSUES

- 1.1 The Public Sector Internal Audit Standards (PSIAS) require that the Chief Internal Auditor reports periodically to the Audit Committee on internal audit activity and on performance relative to the approved plan.
- 1.2 Work has continued on assignments from the 2013/14 Internal Audit Plan. The facilitation of the National Fraud Initiative has also continued and work on certifying a grant claim has commenced.
- 1.3 Internal Audit has been and continues to be involved with a number of unplanned areas of work. These are at present contained within the resource allocated as part of the Internal Audit Planning process and may impact on the scheduling of work to be undertaken within the year from the Internal Audit Plan. The Audit Committee will be informed of progress and of any specific challenges which may arise in the completion of the audit plan as a result of unplanned activity.
- 1.4 At the commencement of the Youth Justice audit 13-08, it was highlighted that there is an ongoing review of this area regarding the provision of these services to young people. Due to the scope of the ongoing review, which includes the area highlighted within the indicative scope of the Internal Audit Plan [Report 13/148 refers], it would not be best use of resources to continue with this assignment as part of the current year's plan. It is therefore proposed to remove this audit from the Annual Plan. The Chief Internal Auditor is considering a replacement audit and will report back to the next meeting of the Audit Committee with proposals.
- 1.5 Appendix A details those assignments where work has been completed since the last report to Audit Committee. Where appropriate, Internal Audit Reports for these assignments will be presented to Audit Committee.

- 1.6 Appendix B shows a summary of each audit previously approved as part of the 2013/14 plan, along with the stage of progress of each assignment. Based on the work plans for each individual auditor, the indicative date for the Audit Committee to consider the report is recorded. The achievement of these scheduled dates is dependent upon the level of unplanned investigation work and engagement with Services.
- 1.7 Appendix C details areas of work which are in addition to the approved Internal Audit Plan for 2013/14 arising from either Service requests for assistance or from investigatory work.

2. CONCLUSION AND RECOMMENDATION

- 2.1 It is recommended that the Committee notes the progress of work against the plan for 2013/14.
- 2.2 It is recommended that the Committee approves the deletion of Youth Justice from the Internal Audit Plan for 2013/14.
