(Based on Expenditure to 30 June 2019)

SERVICE	Variance £'000	Variance £'000	Summary of Service Variances
Education & Children's Services			
Total	0		
		(370)	Devolved School Management (DSM)
			Staff Costs Teachers salaries are projected to under spend by £1,889,000 due to staff turnover. Single Status staff are projected to under spend by £537,000 also due to staff turnover. This is offset by a slippage target for 2019/20 of £2,056,000. These projections will be updated once head teachers confirm their spending plans for the 2019/20 academic year.
		(150)	Supplies & Services Projected under spend on educational materials which will be carried forward into the 2020/21 academic school year.
		(150)	Income Projected additional income which offsets expenditure on staff costs included above for secondments and Scottish Qualifications Agency work.
		670	The projected DSM carry forward for 2019/20 is £670,000 which is a reduction of £396,000 on the balance brought forward from 2018/19. This level of carry forward represents approximately 0.67% of the overall DSM budget.
		(556)	Pupil Equity Fund The majority of schools within Perth and Kinross Council have been allocated a share of £1,667,400 of Pupil Equity Funding from the Scottish Government as a ring fenced grant as well as £639,000 that has been carried forward from financial year 2018/19. The funding covers the school academic year (i.e. 1 July 2019 to 30 June 2020) and at this stage in the academic year it is projected that £556,000 will be carried forward to 2020/21.
		556	Projected carry forward of Pupil Equity Funding.
		(294)	Other Education & Children's Services Sectors: Staff Costs This projected under spend is made up of movements across all sectors and cost centres and is after recognising a slippage target of £1,212,000. This also allows for £131,000 of mobile working transformation savings that have not yet been identified.
		50	Supplies and Services Projected over spend due to additional expenditure on legal fees in relation to kinship care (£35,000) and mobile phones for social work staff due to General Data Protection Regulation requirements (£15,000).
		198	Home to School Transport Projected over spend due to additional demand on Additional Support Need e.g. young people transferring to external placements.
		52	Third Party Payments There is a projected over spend due to increased self directed support costs within Children, Young People & Families (£28,000) and Throughcare & Aftercare (£80,000) which is partially offset by projected under spends on Continuing Care (£45,000) and service level agreements (£11,000).
		162	Residential Schools/Foster Care and Kinship Care: The budget for young people with Additional Support Needs (ASN) who are educated outwith the Council's mainstream school provision is projected to over spend in the current financial year based on the number of known placements at this time.
		(407)	The budget for young people with complex behavioural issues which includes a number of pupils placed within residential schools is projected to under spend based on current activity levels.
		128	Based on the latest demand information, there is a projected over spend on foster care (£101,000) and kinship care (£27,000).
		111	Income Projected shortfall in income from recharges to grants (£165,000) and reduced paid school meals uptake (£30,000) partially offset by Unaccompanied Asylum Seeking Children grant income (£84,000).

SERVICE	Variance £'000	Variance £'000	Summary of Service Variances
<u>Housing & Environment</u>			
Total	602		
		340	<u>Service-Wide Budgets</u> Projected shortfall in achievement of residual Corporate procurement savings target. £1.085m savings have already been generated from targeted reductions in price across a range of supplies, services and commodities. Short term funding has been secured through the revenue budget process to identify and target potential areas for further savings but progress has been delayed due to staff turnover. Alternative arrangements for resourcing this piece of work are being pursued as a matter of priority.
		500	Projected non- achievement of Service staff slippage target of £1.2m.
		40	Projected shortfall in achievement of current year Corporate Property Asset Management Review transformation project savings target relating to the rationalisation of the property estate. Approximately £955,000 of the £1.295m savings target in 19/20 has already been achieved with work continuing on options for generating the balance of savings.
			<u>Planning & Development</u>
		50	Projected consultancy and legal costs relating to the examination stage of the Local Development Plan.
		75	Projected non-achievement of target for generating income from and sponsorship of Council-run events.
			<u>Roads & Transport</u>
		(300)	Projected underspend on Flooding revenue budget.
			<u>Car Parking</u>
		(300)	Projected additional income from on and off street parking.
		300	Contribution to Car Park Reserve.
			<u>Housing</u>
		(35)	Projected under spend on staff costs due to reduced recharges from the HRA to the Housing General Fund (£64,000), staff slippage (£12,000) plus over-recovery of income across a range of activities (£9,000). These under spends are partly offset by a projected over spend within non-staff budgets (£34,000) and on loan charges for RIO House (£14,000).
			<u>Business & Resources</u>
		(3)	Accelerated delivery of approved 2020/21 savings (£7,000) plus projected under spend on staff costs (£26,000) offset by an under-recovery of income as a result of reduced recharges to the HRA due to staff slippage (£30,000).
			<u>Planning & Commissioning</u>
		(65)	Accelerated delivery of approved 2020/21 savings (£15,000), staff slippage (£47,000) plus small over recovery of income (£3,000).
