Dear Sirs,

Re: 3 FERRY CRESCENT, PITLOCHRY (FROM MRS LAWRIE)

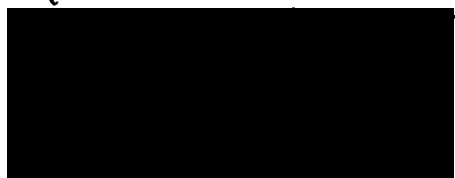

We wish to object to a short term letting licence being issued to the above property.

Access to this property from parking area runs alongside our garden.

In this small, quiet residential area there are 12 houses (FERRY & TUMMEL CRESC.) surrounding this property, of which only 7 are permanently occupied the remainder are either second homes or short term lets. The last thing Ferry/Tummel Crescent needs is another holiday let.

Pitlochry is crying out for housing for locals and essential workers, therefore wish this objection to be seriously considered.

Yours Faithfully

MARGARET & DAVID FINN
