

PERTH AND KINROSS COUNCIL**Audit Committee****25 September 2013****INTERNAL AUDIT UPDATE****Report by the Chief Internal Auditor****PURPOSE OF REPORT**

This report presents a summary of Internal Audit's work against the 2013/14 annual plan.

1. BACKGROUND / MAIN ISSUES

- 1.1 The Public Sector Internal Audit Standards (PSIAS) require that the Chief Internal Auditor reports periodically to the Audit Committee on internal audit activity and on performance relative to the approved plan.
- 1.2 Work has continued on assignments from the 2013/14 Internal Audit Plan. The facilitation of the National Fraud Initiative has also continued. In addition, one grant claim has been certified correct.
- 1.3 Internal Audit has been and continues to be involved with a number of unplanned areas of work. These are at present contained within the resource allocated as part of the Internal Audit Planning process and may impact on the scheduling of work to be undertaken within the year from the Internal Audit Plan. The Audit Committee will be informed of progress and of any specific challenges which may arise in the completion of the audit plan as a result of unplanned activity.
- 1.4 Appendix A details those assignments where work has been completed since the last report to Audit Committee. Where appropriate, Internal Audit Reports for these assignments will be presented to Audit Committee.
- 1.5 Appendix B shows a summary of each audit previously approved as part of the 2013/14 plan, along with the stage of progress of each assignment. Based on the work plans for each individual auditor, the indicative date for the Audit Committee to consider the report is recorded. The achievement of these scheduled dates is dependent upon the level of unplanned investigation work and engagement with Services.
- 1.6 Appendix C details areas of work which are in addition to the approved Internal Audit Plan for 2013/14 arising from either Service requests for assistance or from investigatory work.

2. CONCLUSION AND RECOMMENDATION

- 2.1 It is recommended that the Committee notes the progress of work against the plan for 2013/14.
