An enhanced version of the National Stop and Search Database commenced on 1 June 2015. The enhanced database brought significant changes in the process of data capture and the methodology for recording data items.

No previous year to date figures are provided as it has been recognised this data is not 100% accurate, therefore comparisons will provide misleading results or invalid conclusions. Management information and data in respect of stop and search can be found on the Police Scotland website via <http://www.scotland.police/about-us/police-scotland/stop-and-search-data-publication>
