

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE

Minute of meeting of the Planning and Development Management Committee held in the Council Chamber, Ground Floor, Council Building, 2 High Street, Perth on Wednesday 18 October 2017 at 10.00am.

Present: Councillors M Lyle, B Brawn, B Band, M Barnacle (up to and including Art. 600(1)(iv), H Coates, E Drysdale, T Gray, I James, R Watters and W Wilson.

In Attendance: Councillors X McDade, T McEwan, W Robertson, C Shiers and L Simpson; N Brian, D Niven, C Hall, M Petrie, A Rennie, D Salman, J Scott, C Stewart and R Stewart (all The Environment Service); E Ritchie and N Robson (Housing and Community Safety); G Fogg and D Williams (both Corporate and Democratic Services).

Apologies: Councillors H Anderson, A Jarvis and R McCall

Councillor M Lyle, Convener, Presiding.

596. WELCOME AND APOLOGIES

The Convener welcomed everyone present to the meeting and apologies were noted as above.

597. DECLARATIONS OF INTEREST

There were no Declarations of Interest in terms of the Councillors' Code of Conduct.

598. MINUTES

The minute of meeting of the Development Management Committee of 20 September 2017 (Arts. 508-512) was submitted, approved as a correct record and authorised for signature.

599. DEPUTATIONS

In terms of Standing Order 59, the Committee agreed to hear deputations in relation to the following planning applications:

Planning Application No.	Art. No.
17/00806/FLM	600(1)(iii)
17/00838/FLM	600(1)(iv)
16/01715/FLL	600(2)(i)
17/00788/FLL	600(2)(ii)
17/01170/FLL	600(2)(iii)
17/01234/FLL	600(2)(iv)

600. APPLICATIONS FOR DETERMINATION

(1) Major Applications

- (i) 16/02156/AMM - OUDENARDE - Erection of 159 dwellinghouses with associated roads, drainage and landscaping at land to the north of A912 at Oudenarde, Bridge of Earn – Report 17/338 – Taylor Wimpey East Scotland and GS Brown Construction Ltd**

Resolved:

Grant, subject to the following terms, conditions, including additional condition 17 and informatives:

Conditions

1. The proposed development must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed on the planning consent.
2. Prior to the occupation of any dwelling, all matters regarding access, car parking, road layout, design and specification, including the disposal of surface water, shall be in accordance with the standards required by the Council as Roads Authority.
3. Prior to the occupation of any dwelling, details of the specification including materials of all footpaths and cycleways shall be submitted to the Planning Authority for further approval. The agreed detail shall thereafter be implemented prior to the completion of the 50th dwelling.
4. The detailed landscaping and planting scheme as approved shall be commenced at the same time as commencement of the residential development and thereafter maintained and competed to the satisfaction of the Council as Planning Authority.
5. Any planting failing to become established within five years shall be replaced in the following planting season with others of similar sizes and species to the satisfaction of the Council as Planning Authority.
6. Prior to the commencement of development a detailed layout of the proposed children's play area indicated in the site layout plan shall be submitted for the further approval of the Planning Authority. The play area(s) shall be designed, laid out and equipped in accordance with the Planning Authority's current criteria for play area provision within six months of the first dwelling occupied on the site. The play area and its facilities/equipment shall thereafter be maintained to the satisfaction of the Council as Planning Authority.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

7. Prior to the commencement of development full details of proposed site boundary openings forming new access onto the spine road shall be submitted to the Planning Authority for further written approval. The opening details as approved shall thereafter be implemented prior to the occupation of any residential plot.
8. No development shall commence until a detailed delivery plan confirming the programmed delivery of the site and construction works has been submitted and approved in writing by the Planning Authority. Once approved, the development shall be implemented in accordance with the delivery plan.
9. All existing trees and hedgerows shown to be retained shall be protected by suitable fencing in accordance with BS5837 2012 (Trees in Relation to Construction), unless otherwise agreed in writing by the Planning Authority. The details of the protective fencing and its location shall be first submitted to and agreed in writing by the Planning Authority. No materials, supplies, plant, machinery, soil heaps, changes in ground levels or construction activities shall be permitted within the protected areas without the written consent of the Planning Authority and no fire shall be lit in the position where the flames could extend to within 5 metres of foliage, branches or trunks.
10. No removal of hedgerows, trees or shrubs or works to or demolition of any buildings or structures that may be used by breeding birds shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to and agreed by the Planning Authority.
11. Measures to protect animals from being trapped in open excavations and/or pipe and culverts shall be implemented for the duration of the construction works of the development hereby approved. The measures may include creation of sloping escape ramps for animals, which may be achieved by edge profiling of trenches/excavations or by using planks placed into them at the end of each working day and open pipework greater than 150 mm outside diameter being blanked off at the end of each working day.
12. Where it is intended to create semi-natural habitats, all species used in the planting proposals detailed in the approved plans shall be locally native species of local

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

- provenance unless otherwise agreed in writing with the Planning Authority.
13. Prior to occupation of any buildings on site a minimum of 30% (41 units) of all completed 2 storey houses shall incorporate a minimum of 2 bat bricks (e.g. build-in Woodstone Bat Box) and swift nest bricks (e.g. WoodStone Build-in Swift Nest Box A) shall be incorporated at eaves height.
 14. Prior to the commencement of development, any Orchids identified in the applicant's Habitat Survey shall be translocated to the landscape buffer area to allow them to be retained and thereafter maintained to the satisfaction of the Council as Planning Authority
 15. Prior to the commencement of development a Construction Traffic Management Plan (CTMP) shall be submitted to and be approved in writing by the Planning Authority. Thereafter the development shall be fully undertaken in accordance with the CTMP.
 16. The hours of operation at the construction stage shall be Monday to Friday 07:00 to 19:00 hours, Saturday 08:00 to 13:00 hours and no workings on a Sunday, unless otherwise agreed in writing with the Planning Authority.
 17. Within 12 months of this decision notice the exact design specification and delivery timescale of interchange improvements to be provided at the M90/A912 junctions (northbound and southbound) and widening of the northbound merge road with the M90 will be submitted for written approval to the Planning Authority in consultation with Transport Scotland. The details shall generally be in accordance with the following TA Millard Partnership/Millard Consulting Drawings 2394/03/20 Revision C and 2394/03/15 Revision A associated with application 02/01482/IPM and Roads Construction Consent (RCC) drawing 316/03/408 (dated June 2009). The works shall be carried out and completed in accordance with the agreed design specification and delivery timescale.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure therefrom.

Informatives

1. The development hereby permitted shall be commenced no later than the expiration of two years from the date of this consent or from the date of subsequent approval of matters specified in conditions, or three years from the

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

date of planning permission in principle, whichever is later.

2. Under Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the Planning Authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.
3. As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the Planning Authority written notice of that position.
4. This development will require the 'Display of notice while development is carried out', under Section 27C (1) of the Town and Country Planning Act 1997, as amended, and Regulation 41 of the Development Management Procedure (Scotland) Regulations 2013. The form of the notice is set out in Schedule 7 of the Regulations and a draft notice is included for your guidance. According to Regulation 41 the notice must be:
 - Displayed in a prominent place at or in the vicinity of the site of the development.
 - Readily visible to the public.
 - Printed on durable material.
6. Should any archaeology be discovered during construction, the applicant is advised to contact Mr David Strachan, Archaeologist – Perth and Kinross Heritage Trust to discuss what is required. Tel: 01738 477080.
7. The applicants are advised that they must apply to the Roads Authority, for construction consent to form a new street. Please contact The Construction and Maintenance Manager, The Environment Service, Perth and Kinross Council, Pullar House, 35 Kinnoull Street, Perth, PH1 5GD.
8. Please consult the Street Naming and Numbering Officer, The Environment Service, Perth and Kinross Council, Pullar House, 35 Kinnoull Street, Perth PH1 5GD
9. The applicant is advised that the granting of planning consent does not guarantee a connection to Scottish Water's assets. The applicant must make a separate application to Scottish Water Planning & Development Services team for permission to connect to the public wastewater system and/or water network and all their requirements must be fully adhered to.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

10. The applicant should ensure that access and operations during construction and the routes for any services for the site take account of both the servitudes of the Shell UK and BP pipelines
11. The applicant is reminded that, should any protected species be present a licence may be required from Scottish Natural Heritage to disturb a protected species. Failure to obtain a licence may constitute a criminal act under the Habitats Regulations and penalties are severe for non-compliance.
12. The applicant is reminded that, under the Wildlife and Countryside Act 1981, as amended, it is an offence to remove, damage or destroy the nest of any wild birds while that nest is in use or being built. Planning consent for a development does not provide a defence against prosecution under this act.
13. The Council's Community Waste Adviser in the Environment Service should be contacted to clarify the bin storage and recycling requirements for the development.
14. No work shall be commenced until an application for building warrant has been submitted and approved.

(ii) 17/00669/FLM - PERTH - Erection of 48 dwellinghouses, landscaping and associated works on land SW of Gannochy Farmhouse, Gannochy Road, Perth – Report 17/339 – The Gannochy Trust

Resolved:

Grant, subject to the following terms, conditions and informatives:

Conditions

1. The proposed development must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed on the planning consent.
2. Prior to the development hereby approved being completed or brought into use, all matters regarding access, car parking, road layout, design and specification, including the disposal of surface water, shall be in accordance with the standards required by the Council as Roads Authority.
3. The detailed landscaping and planting scheme as approved shall be commenced at the same time as commencement of the residential development and thereafter maintained to the satisfaction of the Council as Planning Authority.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

4. Any planting failing to become established within five years shall be replaced in the following planting season with others of similar sizes and species to the satisfaction of the Council as Planning Authority.
5. The hours of operation at the construction stage shall be Monday to Friday 07:00 to 19:00 hours, Saturday 08:00 to 13:00 hours and no workings on a Sunday.
6. The mitigation measure as recommended in Appendix E of the applicants Air Quality Assessment shall be carried out throughout the duration of the construction works.
7. Prior to the development hereby approved being completed or brought into use a Residential Travel Plan (RTP), aimed to encourage more sustainable means of travel, shall be submitted and approved in writing by the Council. The RTP will have particular regard to provision for walking, cycling and public transport access to and within the site and will identify the measures to be provided, the system of management, monitoring, review, reporting and the duration of the plan.
8. Development shall not commence on site until a detailed sustainable urban drainage system (SUDS) has been submitted for the further written agreement of the Council as Planning Authority, in consultation with SEPA where necessary. The scheme shall be developed in accordance with the technical guidance contained in The SUDS Manual (C753) and the Council's Flood Risk and Flood Risk Assessments Developer Guidance, and shall incorporate source control. All works shall be carried out in accordance with the agreed scheme and be operational prior to the bringing into use of the development.
9. The conclusions and recommended action points within the applicants supporting biodiversity survey submitted and hereby approved shall be fully adhered to, respected and undertaken as part of the construction phase of development to the satisfaction of the Planning Authority.
10. No removal of hedgerows, trees or shrubs or works to or demolition of buildings or structures that may be used by breeding birds shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation shall be submitted to the Planning Authority for retention prior to commencement of development.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

11. Measures to protect animals from being trapped in open excavations and/or pipe and culverts shall be implemented for the duration of the construction works of the development hereby approved. The measures may include creation of sloping escape ramps for animals, which may be achieved by edge profiling of trenches/excavations or by using planks placed into them at the end of each working day and open pipework greater than 150 mm outside diameter being blanked off at the end of each working day.
12. Where it is intended to create semi-natural habitats, all species used in the planting proposals detailed in the approved plans shall be locally native species of local provenance unless otherwise agreed in writing with the local planning authority.
13. Where it is intended to create a wetland/SUDS area wildlife kerbs shall be installed adjacent to all road gullies within 500m of wetland/SUDS.
14. Where site boundaries affect trees, the development shall fully comply with, respect and remain in full accordance with BS5837 2012: *'Trees in relation to construction, demolition and construction. Recommendations'*.
15. Prior to commencement of development, a detailed Construction Management Plan (CMP) detailing required mitigation measures and construction method statements, including specific measures for monitoring during construction, shall be submitted to and approved in writing by the Planning Authority in consultation with Perth and Kinross Council's Environmental Health Section. Such details shall be submitted not less than two month prior to the agreed scheduled commencement date and shall incorporate detailed pollution avoidance and air quality mitigation measures for all construction elements. Thereafter the approved CMP shall thereafter be fully respected and adhered to through the construction phase of the development.

Justification

The proposal is in accordance with the Development Plan and there are no material reasons which justify departing from the Development Plan.

Procedural Notes

1. If the applicant would prefer to enter into a Section 75 Legal Agreement, consent shall not be issued until the Section 75 Agreement relating to transport infrastructure contributions has been completed and signed to reflect the current planning reference 17/00669/FLM.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

2. The legal agreement should be concluded and completed within 4 months of the date of any Committee approval. Failure to conclude a legal agreement within 4 months will result in the planning application having to be re-assessed through failing to comply with the associated developer contributions policy and will be ultimately recommended for refusal under delegated powers.

Informatives

1. This planning permission will last only for three years from the date of this decision notice, unless the development has been started within that period. (See section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).
2. Under Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the Planning Authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.
3. As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the Planning Authority written notice of that position.
4. This development will require the 'Display of notice while development is carried out', under Section 27C (1) of the Town and Country Planning Act 1997, as amended, and Regulation 41 of the Development Management Procedure (Scotland) Regulations 2013. The form of the notice is set out in Schedule 7 of the Regulations and a draft notice is included for your guidance. According to Regulation 41 the notice must be:
 - Displayed in a prominent place at or in the vicinity of the site of the development.
 - Readily visible to the public.
 - Printed on durable material.
5. The applicant is advised that in terms of Section 56 of the Roads (Scotland) Act 1984 he must obtain from the Council as Roads Authority consent to open an existing road or footway prior to the commencement of works. Advice on the disposal of surface water must be sought at the initial stages of design from Scottish Water and the Scottish Environment Protection Agency.
6. The applicant is advised that in terms of Section 21 of the Roads (Scotland) Act 1984 they must obtain from the Council as Roads Authority consent to construct a new

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

road prior to the commencement of roadworks. Advice on the disposal of surface water must be sought at the initial stages of design from Scottish Water and the Scottish Environment Protection Agency.

7. The applicants are advised that they must apply to the Roads Authority for construction consent to form a new street. Please contact The Construction and Maintenance Manager, The Environment Service, Perth and Kinross Council, Pullar House, Perth.
8. The applicant is advised that the granting of planning consent does not guarantee a connection to Scottish Water's assets. The applicant must make a separate application to Scottish Water Planning & Development Services team for permission to connect to the public wastewater system and/or water network and all their requirements must be fully adhered to.
9. The applicant is advised that the works may need a license under the Water (Controlled Activities) Regulations 2005 (CAR). The applicant should contact SEPA's Perth Environmental Protection and Improvement Team (Tel: 01738 627989) in regard to this. The applicant should ensure that all works on site comply with the best practice guidelines laid out in SEPA's published Pollution Prevention Guidance, found at www.sepa.org.uk
10. The Council's Community Waste Adviser in the Environment Service should be contacted to clarify the bin storage and recycling requirements for the development.
11. The applicant is reminded that, under the Wildlife and Countryside Act 1981, as amended, it is an offence to remove, damage or destroy the nest of any wild birds while that nest is in use or being built. Planning consent for a development does not provide a defence against prosecution under this act.
12. The applicant is reminded that, should any protected species be present a licence may be required from Scottish Natural Heritage to disturb a protected species. Failure to obtain a licence may constitute a criminal act under the Habitats Regulations and penalties are severe for non-compliance.

(iii) 17/00806/FLM – MILNATHORT – Erection of 77 dwellinghouses, formation of landscaping, open spaces and community woodland, and associated works on land north of Linden Park Road, Milnathort – Report 17/340 – Dundas Estates and Development Co Ltd

Mr T Malcolm and Mr P Grant, objectors to the application, Councillor W Robertson, Local Member, followed by Mr B

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Dunlop, Managing Director of Dundas and Mr J Garrett, on behalf of the architect, addressed the Committee and, following their respective representations, withdrew to the public benches.

Motion (Councillors M Barnacle and B Brawn) – Refuse the application for the following reason:
The proposal is contrary to Policies PM1A, RD1A and TA1B of the Perth and Kinross Local Development Plan.

Amendment (Councillors T Gray and B Band) – Grant the application subject to the following terms, conditions and informatives contained within Report 17/340.

**Second Amendment (Councillors R Watters and E Drysdale)
– Defer the application for a site visit and to allow for the
Committee to address any concerns they may have.**

In accordance with Standing Order 44, a roll call vote was taken.

4 members voted for the First Amendment as follows:
Councillors M Lyle, B Band, H Coates and T Gray.

6 members voted for the Second Amendment as follows:
Councillors B Brawn, M Barnacle, E Drysdale, I James, R Watters and W Wilson.

The Second Amendment became the substantive Amendment, and was set against the Motion.

4 members voted for the Motion as follows:
Councillors B Brawn, M Barnacle, I James and W Wilson.

6 members voted for the Amendment as follows:
Councillors M Lyle, B Band, H Coates, E Drysdale, T Gray and R Watters.

Resolved:

In accordance with the Amendment.

- (iv) **17/00838/FLM – BLAIRGOWRIE – Erection of 71
dwellinghouses and associated works at land at Moyness
Park, Blackthorn Place, Blairgowrie – Report 17/341 –
Stewart Milne Homes**

Ms W McKerchar, Mr M Smith and Mr K Kemp, objectors to the application, Councillor C Shiers, Local Member, followed by Mr R Fawcus, on behalf of the applicant, addressed the Committee. Following their respective representations, Ms McKerchar, Mr

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Smith, Councillor Shiers and Mr Fawcus withdrew to the public benches, and Mr Kemp left the meeting.

Motion (Councillors T Gray and E Drysdale)

Grant the application subject to the following terms, conditions and informatives;

Conditions

1. The development hereby approved must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed by this decision notice.
2. No removal of vegetation, including trees and shrubs will take place between 1st March and 31 August inclusive unless a competent ecologist has undertaken a careful and detailed check of vegetation for active birds' nests immediately before the vegetation is to be cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting birds on site. Any such written confirmation must be submitted to the planning authority prior to commencement of works.
3. All road gullies within 500m of a waterbody or Sustainable Urban Drainage (SUDS) basin shall have 'wildlife kerbs' installed adjacent to the gully. The details for which shall be submitted to the Planning Authority for approval and installed thereafter in accordance with the approved detail prior to the occupation of any dwellinghouse hereby approved.
4. No works which include the creation of trenches, culverts or the presence of pipes will commence until measures to protect animals from becoming trapped in open excavations and/or pipes and culverts are submitted to and approved in writing by the planning authority. The measures could include, but are not restricted to, creation of sloping escape ramps from trenches and excavations and securely sealing open pipework at the end of each working day.
5. The developer shall incorporate swift bricks and bat roost bricks at eaves height in a minimum of 40% of all 2 storey properties. These bricks shall be usable prior to the occupation of each property where the bricks have been installed.
6. Prior to the development hereby approved being completed or brought into use, all matters regarding access, car parking, road layout, design and specification, including the disposal of surface water, shall be in accordance with the standards required by the Council as Roads Authority.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

7. No part of the development shall be occupied until a Residential Travel Plan (RTP), aimed to encourage more sustainable means of travel, has been submitted and approved in writing by the Council. The RTP will have particular regard to provision for walking, cycling and public transport access to and within the site and will identify the measures to be provided, the system of management, monitoring, review, reporting and the duration of the plan.
8. Prior to the commencement of the development hereby approved, details of the specification and colour of the proposed external finishing materials to be used shall be submitted to and agreed in writing by the Council as Planning Authority. The scheme as agreed shall be implemented prior to the completion or bringing into use of each dwellinghouse, whichever is the earlier.
9. No development shall commence until a detailed delivery plan confirming the phased delivery of the site to landscaping (public open spaces and tree lines) and construction works (incorporating the route and construction phasing for dwellings and location of any site/construction compounds) has been submitted and approved in writing by the Planning Authority. Once approved, the development shall be implemented in accordance with the delivery plan.
10. In association with Condition 9, prior to the commencement of development details for the specification, species and maintenance of the landscaping, open space and tree line areas shall be submitted to the Planning Authority for further approval. The phasing and delivery of the tree areas should incorporate provision in advance of the occupation of any dwellinghouse within any respective phase of the development in accordance with the required phasing programme (Condition 9) and agreed in writing with the Planning Authority prior to the commencement of the development. Once approved, the landscape specification shall be implemented in accordance with the approved scheme.
11. Development shall not commence on site until detailed proposals developed design of proposes to mitigate flood risk from the Sustainable Urban Drainage (SUDS) basin shall be submitted for the further written agreement of the Council as Planning Authority. Development shall not commence on site until all flood mitigation measures agreed as part of the agreed scheme are completed to the satisfaction of the Council as Planning Authority.
12. The hours of operation for all construction activity shall be restricted to between 0700 hours and 1900 hours

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Monday to Saturday only, with no operations permitted on Sundays.

13. Prior to the commencement of the development hereby approved, the applicant shall submit for the further written agreement of the Council as Planning Authority, in consultation with the Roads Authority (Structures), a Construction Traffic Management Scheme (TMS) which shall include the following:
- (a) restriction of construction traffic to approved routes and the measures to be put in place to avoid other routes being used;
 - (b) timing of construction traffic to minimise impact on local communities particularly at school start and finishing times, on days when refuse collection is undertaken, on Sundays and during local events;
 - (c) a code of conduct for HGV drivers to allow for queuing traffic to pass;
 - (d) arrangements for liaison with the Roads Authority regarding winter maintenance;
 - (e) emergency arrangements detailing communication and contingency arrangements in the event of vehicle breakdown;
 - (f) arrangements for the cleaning of wheels and chassis of vehicles to prevent material from construction sites associated with the development being deposited on the road;
 - (g) arrangements for cleaning of roads affected by material deposited from construction sites associated with the development;
 - (h) arrangements for signage at site accesses and crossovers and on roads to be used by construction traffic in order to provide safe access for pedestrians, cyclists and equestrians;
 - (i) details of information signs to inform other road users of construction traffic;
 - (j) arrangements to ensure that access for emergency service vehicles are not impeded;
 - (k) co-ordination with other significant developments known to use roads affected by construction traffic;
 - (l) traffic arrangements in the immediate vicinity of temporary construction compound(s);
 - (m) the provision and installation of traffic counters at the applicant's expense at locations to be agreed prior to the commencement of construction;
 - (n) monitoring, reporting and implementation arrangements;
 - (o) arrangements for dealing with non-compliance; and
 - (p) details of HGV movements to and from the site.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

The TMS as approved shall be strictly adhered to during the entire site construction programme.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure from the relevant policies.

Informatives

1. This planning permission will last only for three years from the date of this decision notice, unless the development has been started within that period. (See section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).
2. Under Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the Planning Authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.
3. As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the Planning Authority written notice of that position.
4. This development will require the 'Display of notice while development is carried out', under Section 27C (1) of the Town and Country Planning Act 1997, as amended, and Regulation 41 of the Development Management Procedure (Scotland) Regulations 2013. The form of the notice is set out in Schedule 7 of the Regulations and a draft notice is included for your guidance. According to Regulation 41 the notice must be:
 - Displayed in a prominent place at or in the vicinity of the site of the development.
 - Readily visible to the public.
 - Printed on durable material.
5. The applicant should be advised that in terms of Section 21 of the Roads (Scotland) Act 1984 he must obtain from the Council as Roads Authority consent to construct a new road prior to the commencement of roadworks. Advice on the disposal of surface water must be sought at the initial stages of design from Scottish Water and the Scottish Environmental Protection Agency.
6. The applicant is advised that the detailed design of all SUDS shall conform to 'PKC Flooding and Flood Risk

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Guidance Document (June 2014)', or any subsequent update.

Associated with this, it is recommended that the following information and design should be embedded within the final drainage details:

- In the event that the soakaway overtops due to a capacity issue or siltation over time, the surrounding ground should be contoured such to allow a volume of water to be retained before it can overland flow elsewhere. I.e. the land would be graded down to the soakaway (very gently). This would make it easier to identify a problem with the soakaway in the future because it would pond around it. This would provide additional protection to surrounding land/property.
 - A clear indication of the design standard of all the SUDS features on the design and As-Built drawings.
7. Please consult the Street Naming and Numbering Officer, The Environment Service, Perth and Kinross Council, Pullar House, 35 Kinnoull Street, Perth PH1 5GD.
 8. The applicant is advised that the granting of planning consent does not guarantee a connection to Scottish Water's assets. The applicant must make a separate application to Scottish Water Planning & Development Services team for permission to connect to the public wastewater system and/or water network and all their requirements must be fully adhered to.
 9. No work shall be commenced until an application for building warrant has been submitted and approved.
 10. The applicant is recommended to contact the Council Contamination Officer immediately if any ground contamination is found during construction of the development.
 11. The applicant is reminded that, under the Wildlife and Countryside Act 1981, as amended, it is an offence to remove, damage or destroy the nest of any wild birds while that nest is in use or being built. Planning consent for a development does not provide a defence against prosecution under this act.
 12. The applicant is recommended to incorporate a mini glass recycling points in an appropriate location within the approved development to compliment the kerbside recycling services that will be provided. In order to comply with the 'Household Charter', each household should have access to 10 litres of recycling capacity per week, which would roughly equate to 3 mini glass points over the development. Further details of the requirements can be sought in discussion with the Council Waste

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Services Team. Further, The Environment Service Operations may request communal bins for the flatted properties; it is recommended that the developer make contact with the Community Waste Team to discuss this further.

Amendment (Councillors H Coates and B Brawn) – Refuse the application for the following reason;
The proposal is contrary to Policies PM1A and RD1A of the Perth and Kinross Local Development Plan, and the density of the proposed development was inappropriate.

In accordance with Standing Order 44, a roll call vote was taken.

5 members voted for the Motion as follows:
Councillors M Lyle, B Band, E Drysdale, T Gray and R Watters.

5 members voted for the Amendment as follows:
Councillors B Brawn, M Barnacle, H Coates, I James and W Wilson.

In terms of Standing Order 45, the Convener exercised his casting vote for the Motion.

Resolved:

In accordance with the Motion.

THERE FOLLOWED A 45 MINUTE RECESS
COUNCILLOR M BARNACLE LEFT THE MEETING AT THIS POINT.

(2) Local Applications

- (i) 16/01715/FLL – TUMMEL BRIDGE – Siting of 14 static caravan chalet units for holiday accommodation, partial infill of pond and associated landscaping on land Tummel Valley Holiday Park, Tummel Bridge, Pitlochry – Report 17/342 – Parkdean Holiday Parks Ltd**

Ms E Brown, objector to the application, Councillor X McDade, Local Member, followed by Ms R Whaley, applicant, addressed the Committee and, following their respective representations, withdrew to the public benches.

Motion (Councillors W Wilson and M Lyle) – Defer the application for further information regarding flood risk, also allowing the Committee to view the SSE report on the site.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Amendment (Councillors H Coates and T Gray) –Grant the application subject to the following terms, conditions and informatives;

Conditions

1. The proposed development must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed on the planning consent.
2. Development shall not commence until a detailed Construction Method Statement (CMS) has been submitted to the Council as Planning Authority and agreed in consultation with SNH and SEPA. The CMS must identify measures to prevent harmful materials entering the River Tay SAC, which could reduce water quality and lead to a damaging impact on the salmon, otter and lamprey interests. The CMS should include the following:
 - (a) pollution prevention safeguards including drainage arrangements and the possible use of siltation traps, settlement tanks and bunds
 - (b) storage and disposal of materials including the siting of stock piles, use of buffer strips and disposal methods
 - (c) construction site facilities including extent and location of construction site huts, vehicles, equipment, fuel, chemicals and materials compound
 - (d) timing, duration and phasing of construction particularly in relation to salmon and lamprey migration/spawning.

The CMS and mitigations as agreed shall be fully implemented as part of the planning permission.
3. Development shall not commence until a detailed Construction Environmental Management Plan (CEMP) detailing environmental mitigation measures and construction method statements, including specific measures for environmental monitoring during construction, shall be submitted for the further written agreement of the Council as Planning Authority in consultation with SNH and/or SEPA. Such details shall be submitted not less than two months prior to the agreed scheduled commencement date and shall incorporate detailed pollution avoidance and mitigation measures for all construction elements. Thereafter the development shall be fully undertaken in accordance with the agreed CEMP. For clarification, the CEMP shall include information to satisfy the matters referred to in the

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

consultation response from SEPA and dated 13 June 2017.

4. Prior to the commencement of the development hereby approved, a detailed landscaping and planting scheme for the site shall be submitted for the further written agreement of the Council as Planning Authority. The scheme shall include details of the height and slopes of any mounding or recontouring of the site, full details of all hard landscaping proposals including materials and installation methods and, species, height, size and density of trees and shrubs to be planted. The scheme as subsequently approved shall be carried out and completed within the first available planting season (October to March) after the completion or bringing into use of the development, whichever is the earlier, and the date of Practical Completion of the landscaping scheme shall be supplied in writing to the Council as Planning Authority within 7 days of that date. The scheme as agreed and implemented shall thereafter be maintained.
5. Prior to the occupation of the development or any phase of the development, whichever is the sooner, a landscape and ecological management plan for the site shall be submitted for the further written agreement of the Council as Planning Authority. The Plan shall include long term design objectives, management responsibilities and maintenance schedules for all landscape areas and include details of tree and woodland management and watercourse and pond management. The landscape and ecological management plan as agreed shall, where appropriate, include phased implementation concurrent with the development and shall be fully implemented and thereafter maintained.
6. Prior to the commencement of any works on site, all trees on site (other than those marked for felling on the approved plans) and those which have Root Protection Areas which fall within the site shall be retained and protected. Protection methods shall be strictly in accordance with BS 5837 2012: Trees in Relation to Design, Demolition and Construction. Protection measures, once in place, shall remain in place for the duration of construction.
7. Any planting failing to become established within five years shall be replaced in the following planting season with others of similar size, species and number.
8. Prior to the commencement of development a Flood Action Plan shall be prepared for the site and submitted for the further agreement in writing of the Planning Authority in consultation with the Council's Structures and

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

- Flooding Section. This should detail access and egress arrangements during a flooding event.
9. Concurrent with the initiation of the development hereby approved and for the duration of construction, a temporary surface water treatment facility which accords with SUDS principles shall be implemented on site and maintained for the duration of the approved development works. The temporary surface water treatment facility shall remain in place until the permanent surface water drainage scheme is implemented.
 10. Storm water drainage from all paved surfaces, including the access, shall be disposed of by means of suitable a Sustainable Urban Drainage System to meet the requirements of best management practices.
 11. Prior to commencement of the works a full bat activity survey shall be submitted to the planning authority for approval.
 12. The conclusions and recommended action points within the supporting biodiversity survey and tree surveys submitted and hereby approved shall be fully adhered to, respected and undertaken as part of the construction phase of development.
 13. Prior to the installation of any external lighting, the details of all external lighting shall be submitted for the further written agreement of the Council as Planning Authority. The scheme shall include details of light spill, brightness of the lighting and the proposed hours of operation. The agreed lighting scheme shall be implemented and maintained in full accordance with the agreed scheme.
 14. The development hereby approved shall only be occupied between 1st March and 30th November and shall be used solely for holiday accommodation and shall not be occupied as the sole or main residence of any occupant.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure therefrom.

Informatives

1. This planning permission will last only for three years from the date of this decision notice, unless the development has been started within that period. (See section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).
2. Under Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Planning Authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.

3. As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the Planning Authority written notice of that position.
4. An application for Building Warrant may be required.
5. The applicant should take cognisance of the advice contained in SEPA's letter dated 13 June 2017. Regulatory advice is also available from the local SEPA office at:
Broxden Business Park
Lamberkine Drive
PERTH
PH1 1RX
Tel: 01738 627989
Email : planning.se@sepa.org.uk
6. The applicant is reminded that, should any protected species be present a licence may be required from Scottish Natural Heritage to disturb a protected species. Failure to obtain a licence may constitute a criminal act under the Habitats Regulations and penalties are severe for non-compliance.
7. The applicant is reminded that, under the Wildlife and Countryside Act 1981, as amended, it is an offence to remove, damage or destroy the nest of any wild birds while that nest is in use or being built. Planning consent for a development does not provide a defence against prosecution under this act.
8. The Caravan Site Licence for this site will require to be updated. Contact should be made with Perth and Kinross Council Environmental Health Team tel. 01738 476415.

In accordance with Standing Order 44, a roll call vote was taken.

4 members voted for the Motion as follows:

Councillors M Lyle, E Drysdale, R Watters and W Wilson.

5 members voted for the Amendment as follows:

Councillors B Brawn, B Band, H Coates, T Gray and I James.

Resolved:

In accordance with the Amendment

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

- (ii) **17/00788/FLL – FEARNAN – Change of use and alterations to nursery school to form holiday/staff accommodation, erection of 2 holiday/staff accommodation units and siting of 4 static caravans/chalets for holiday/staff accommodation (in part retrospect) at Boreland Farm, Fearnan, Aberfeldy – Report 17/343 – Boreland Farm Ltd**

Mr N Grant, objector to the application, followed by Mr J Ewen, applicant, addressed the Committee, and, following their respective representations, withdrew to the public benches.

Resolved:

Grant, subject to the following terms, conditions, including additional conditions 6 and 7, and informatives:

Conditions

1. The development hereby approved must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed by this decision notice.
2. The development hereby approved shall be used solely for holiday accommodation and staff accommodation. Furthermore no more than 2 of the approved cabins at any one time shall be used as staff accommodation. For the avoidance of doubt the holiday accommodation shall not be occupied as the sole or main residence of any occupant and the staff accommodation shall only be occupied by someone employed by Boreland Farm Limited.
3. Prior to the commencement of any works on site, all trees on site (other than those marked for felling on the approved plans) and those which have Root Protection Areas which fall within the site shall be retained and protected. Protection methods shall be strictly in accordance with BS 5837 2012: Trees in Relation to Design, Demolition and Construction. Protection measures, once in place, shall remain in place for the duration of construction.
4. Prior to the occupation of the new units hereby approved a path to link the holiday accommodation with the shorefront area under the applicants control will be formed and signposted. Details of this shall be submitted to and agreed in writing with the Council as Planning Authority.
5. The stoves shall only operate on fuel prescribed and stored in accordance with the manufacturer's instructions. The stoves and flues and any constituent parts shall be maintained and serviced in accordance with the manufacturer's instructions. No changes to the biomass

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

specifications shall take place without the prior written agreement of the Council as Planning Authority.

6. The existing agricultural barn shall not be used for any activities until such times that measures to control noise have been submitted to and approved by the Planning Authority. The approved measures shall be undertaken in full prior to use recommencing and maintained thereafter.

Reason - In order to safeguard the residential amenity of the area.

7. A Noise Management Plan shall be submitted for the approval of the Planning Authority within 3 months of the date of this decision. The plan shall include such measures to ensure that noise from the site is controlled at all times and adequate protocols are instituted to prevent any impact of neighbouring residential amenity. The approved plan shall thereafter be implemented to the satisfaction of the Planning Authority.

Reason - In order to safeguard the residential amenity of the area.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure therefrom.

Informatives

1. As soon as practicable after the development is complete, the person who completes the development is obliged by section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the planning authority written notice of that position.
2. An application for Building Warrant may be required.

(iii) 17/01170/FLL – MURRAYSHALL – Erection of 2 dwellinghouses (revised design plot 2) on land SW of Stonegarth, Murrayshall – Report 17/344 – Fergus Purdie Architect

Mr P Cooper, objector to the applicant, followed by Mr F Purdie, agent, addressed the Committee, and, following their respective representations, withdrew to the public benches.

Councillor W Wilson moved a motion to refuse the Late Hours the application on the grounds that it was contrary to Policy PM1B of the Perth and Kinross Local Development Plan. Having failed to find a seconder Councillor Flynn's amendment fell.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Resolved:

Grant, subject to the following terms, conditions and informatives:

Conditions

1. The proposed development must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed on the planning permission.
2. A sample of external materials shall be submitted for the approval of the Planning Authority prior to the commencement of the development. The external materials as approved shall be implemented prior to the occupation and or use of the development.
3. Details of the proposed boundary treatments for the site shall be submitted for the approval of the Planning Authority prior to the commencement of the development. The approved scheme shall be completed prior to the occupation of the unit.
4. The wood burning stove shall only burn fuel as recommended by the manufacturer and shall be operated and maintained in line with manufacturer's advice.
5. The gradient of the access shall not exceed 3% for the first 5.00 metres measured back from the edge of the carriageway and the access shall be constructed so that no surface water is discharged to the public road.
6. Prior to the occupation or use of the approved development the vehicular access shall be formed in accordance with specification Type B, Fig 5.6 access detail to the satisfaction of the Planning Authority.
7. Prior to the occupation or use of the residential unit, turning facilities shall be provided within that plot to enable all vehicles to enter and leave in a forward gear and thereafter retained to the satisfaction of the Planning Authority.
8. Prior to the occupation or use of the approved development a minimum of 2 No. car parking spaces shall be provided within the plot and thereafter retained.
9. No development or extensions, whether or not permitted by virtue of Schedule 1, Part 1, Class 1A, 1B and 3A of the Town and Country Planning (General Permitted Development)(Scotland) Order, 1992 or any Order revoking and re-enacting that Order, shall be erected within the curtilage of the dwellinghouse hereby approved.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Justification

The proposal is not in accordance with the Development Plan however there are material reasons which justify departing from the Development Plan

Informatives

1. This planning permission will last only for three years from the date of this decision notice, unless the development has been started within that period. (See section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).
2. Under section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the planning authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.
3. As soon as practicable after the development is complete, the person who completes the development is obliged by section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the planning authority written notice of that position.
4. The applicant is advised that in terms of Sections 56 of the Roads (Scotland) Act 1984 he must obtain from the Council as Roads Authority consent to open an existing road or footway prior to the commencement of works. Advice on the disposal of surface water must be sought at the initial stages of design from Scottish Water and the Scottish Environmental Protection Agency.
5. Please consult the Street Naming and Numbering Officer, The Environment Service, Perth and Kinross Council, Pullar House, 35 Kinnoull Street, Perth PH1 5GD for a new postal address. The form is downloadable from www.pkc.gov.uk and should be returned to snn@pkc.gov.uk
6. No work shall be commenced until an application for building warrant has been submitted and approved.

- (iv) **17/01234/FLL – ABERNETHY – Erection of an agricultural building for free range egg production and associated works at Wilson Cordon Farm, Abernethy, Perth – Report 17/345 – Robert S Wilson (Cordon)**

Mr M Wilson, applicant, addressed the Committee, and, following his representation, withdrew to the public benches.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Resolved:

Grant, subject to the following terms, conditions and informatives:

Conditions

1. The proposed development must be carried out in accordance with the approved drawings and documents, unless otherwise provided for by conditions imposed on the planning consent.
2. The conclusions and recommended action points within the supporting biodiversity survey submitted and hereby approved shall be fully adhered to, respected and undertaken as part of the construction phase of development.
3. No removal of hedgerows, trees or shrubs or works to or demolition of buildings or structures that may be used by breeding birds shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the local planning authority.
4. Measures to protect animals from being trapped in open excavations and/or pipe and culverts shall be implemented for the duration of the construction works of the development hereby approved. The measures may include creation of sloping escape ramps for animals, which may be achieved by edge profiling of trenches/excavations or by using planks placed into them at the end of each working day and open pipework greater than 150 mm outside diameter being blanked off at the end of each working day.
5. All operational traffic movements to and from the site shall be undertaken in accordance with the routing outlined in the Transport Statement hereby approved (doc ref: 17/01234/13) to the satisfaction of the Council as Planning Authority.
6. Prior to the development hereby approved being completed or brought into use, a passing place shall be constructed in full to the south of the railway bridge to formalise the existing informal passing place. The passing place shall be constructed in accordance with the National Roads Development Guide to provide a minimum road width of 5.5 metres, 15 metres in length (excluding 1:2 metre splays. Prior to the commencement of any development on site a scaled drawing at 1:200

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

scale shall be submitted to and approved in writing by the Planning Authority which demonstrates the proposed location and works to form the passing place. The passing place shall be formed in accordance with these approved details.

7. Prior to the commencement of works on the development, the applicant shall submit for the written approval of the Planning Authority a Construction Traffic Management Scheme (TMS) which shall include the following:
 - a) restriction of construction traffic to approved routes and the measures to be put in place to avoid other routes being used;
 - b) timing of construction traffic to minimise impact on local communities particularly at school start and finishing times, on days when refuse collection is undertaken, on Sundays and during local events;
 - c) arrangements for liaison with the Roads Authority regarding winter maintenance;
 - d) emergency arrangements detailing communication and contingency arrangements in the event of vehicle breakdown;
 - e) arrangements for the cleaning of wheels and chassis of vehicles to prevent material from construction sites associated with the development being deposited on the road;
 - f) arrangements for cleaning of roads affected by material deposited from construction sites associated with the development;
 - g) arrangements for signage at site accesses and crossovers and on roads to be used by construction traffic in order to provide safe access for pedestrians, cyclists and equestrians;
 - h) details of information signs to inform other road users of construction traffic;
 - i) arrangements to ensure that access for emergency service vehicles are not impeded;
 - j) monitoring, reporting and implementation arrangements; and
 - k) arrangements for dealing with non-compliance.The TMS as approved shall be strictly adhered to during the entire site construction programme all to the satisfaction of the Council as Planning Authority.
8. Development shall not commence until the developer has secured the implementation of a programme of archaeological work in accordance with a written scheme of archaeological investigation which has been submitted by the applicant, and agreed in writing by the Council as Planning Authority, in consultation with Perth and Kinross

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Heritage Trust. Thereafter, the developer shall ensure that the programme of archaeological works is fully implemented including that all excavation, preservation, recording, recovery, analysis, publication and archiving of archaeological resources within the development site is undertaken. In addition, the developer shall afford access at all reasonable times to Perth and Kinross Heritage Trust or a nominated representative and shall allow them to observe work in progress.

9. All plant or equipment shall be so enclosed, attenuated and/or maintained such that any noise therefrom shall not exceed Noise Rating 35 between 0700 and 2300 hours daily, or Noise Rating 20 between 2300 and 0700 hours daily, within any neighbouring residential property, with all windows slightly open, when measured and/ or calculated and plotted on a rating curve chart.
10. Should any aspect of the operation of this facility lead to a breach of condition 9, within 14 days of a written request by the Council as Planning Authority the applicant shall arrange for an investigation by a suitably qualified noise consultant with the scope and timescale submitted to and agreed in writing with the Council as Planning Authority in consultation with Environmental Health. Thereafter the agreed measures shall be implemented to ameliorate the nuisance.
11. Prior to the commencement of the development, an Odour Management Plan (OMA) shall be submitted to and approved in writing by the Planning Authority in consultation with Environmental Health. The management arrangements agreed within the approved OMA shall be strictly adhered to at all times.
12. Should any aspect of the development result in verified odour complaint determined by the Council as Planning Authority in consultation with Environmental Health, within 14 days of written request by the Council as Planning Authority, the applicant shall arrange for an Odour Impact Assessment (OIA) to be carried out by a qualified consultant. The OIA findings shall be submitted for the written approval of the Council as Planning Authority, in consultation with Environmental Health and must draw conclusions and make recommendations as necessary. Thereafter any necessary measures to ameliorate the odour nuisance should be put in place, and a new or revised Odour Management Plan must be submitted to the council within a specified agreed timescale.
13. Prior to the installation of any external lighting, the details of all external lighting shall be submitted for the further written agreement of the Council as Planning Authority.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

The scheme shall include details of light spill, brightness of the lighting and the proposed hours of operation. The agreed lighting scheme shall be implemented and maintained in full accordance with the agreed scheme.

14. All external lighting shall be sufficiently screened and aligned so as to ensure that there is no direct illumination of neighbouring land and that light spillage beyond the boundaries of the site is minimised to a degree that it does not adversely affect the amenity of the neighbouring land.
15. Prior to the commencement of any works on site, all trees on site (other than those marked for felling on the approved plans) and those which have Root Protection Areas which fall within the site shall be retained and protected. Protection methods shall be strictly in accordance with BS 5837 2012: Trees in Relation to Design, Demolition and Construction. Protection measures, once in place, shall remain in place for the duration of construction.
16. Prior to the commencement of development, details of the tree planting proposed to the west and south of the building shall be submitted to and approved in writing by the Planning Authority. The agreed detail shall thereafter be implemented prior to the completion of the development and completed in accordance with the timescales outlined in condition 16.
17. The planting scheme as approved under condition 15 shall be implemented fully within one calendar year of the commencement of development and thereafter maintained.
18. Any planting failing to become established within five years shall be replaced in the following planting season with others of similar sizes and species.
19. Storm water drainage from all paved surfaces, including the access, shall be disposed of by means of suitable a Sustainable Urban Drainage System to meet the requirements of best management practices.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure therefrom.

Informatives

1. This planning permission will last only for three years from the date of this decision notice, unless the development has been started within that period. (See section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

2. Under Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended) the person undertaking the development is required to give the Planning Authority prior written notification of the date on which it is intended to commence the development. A failure to comply with this statutory requirement would constitute a breach of planning control under section 123(1) of that Act, which may result in enforcement action being taken.
3. As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) to give the Planning Authority written notice of that position.
4. The applicant is advised that the granting of planning consent does not guarantee a connection to Scottish Water's assets. The applicant must make a separate application to Scottish Water Planning & Development Services team for permission to connect to the public wastewater system and/or water network and all their requirements must be fully adhered to.
5. No work shall be commenced until an application for building warrant has been submitted and approved.
6. The applicant is reminded that, should any protected species be present a licence may be required from Scottish Natural Heritage to disturb a protected species. Failure to obtain a licence may constitute a criminal act under the Habitats Regulations and penalties are severe for non compliance.
7. The applicant is reminded that, under the Wildlife and Countryside Act 1981, as amended, it is an offence to remove, damage or destroy the nest of any wild birds while that nest is in use or being built. Planning consent for a development does not provide a defence against prosecution under this act.
8. The applicant should be aware of the SEPA's General Binding Rules of The Water Environment (Controlled Activities) (Scotland) Regulations 2011 (as amended) and the Intake and Outfall Good Practice Guide https://www.sepa.org.uk/media/150984/wat_sg_28.pdf with regards the proposed treatment and discharge of treated surface water to the burn. Further information is available to the applicant in the [CAR Practical Guide](#)
9. The developer is advised to contact Mr David Strachan, Archaeologist to discuss terms of reference for work required Tel 01738 477080.
10. This development will require the 'Display of notice while development is carried out', under Section 27C(1) of the Town and Country Planning Act 1997, as amended, and

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

Regulation 41 of the Development Management Procedure (Scotland) Regulations 2013. The form of the notice is set out in Schedule 7 of the Regulations and a draft notice is included for your guidance. In accordance with Regulation 41 the notice must be:

- Displayed in a prominent place at or in the vicinity of the site of the development
- Readily visible to the public
- Printed on durable material.

(v) 17/01402/IPL – LONGFORGAN – Erection of a dwellinghouse (in principle) on land north of Grieves House, Longforgan – Report 17/346 – Mr G Lawson

Resolved:

Grant, subject to the following terms, conditions and informatives:

Conditions

1. The development shall not commence until the following matters have been approved by the Planning Authority through the submission of an application or applications for approval of matters specified in conditions:
 - (i) The siting design, height and external materials of all buildings or structures;
 - (ii) Details of vehicular access to the site and the provision of two car parking spaces and turning facilities.
 - (iii) Details of all landscaping, planting, screening and boundary treatment.
2. In pursuance of Condition 1(i), the physical development shall be:
 - (i) Limited to a single storey with any accommodation above ground floor level being contained in the roof space.
 - (ii) Situated within the western portions of the plot and shall not extend eastwards of the established building line of the property located to the south and the property to the north of the site.
3. In pursuance of Condition 1(ii), the scheme shall include:
 - (i) Turning facilities to enable all vehicles to enter and leave the application site in a forward gear which shall be formed prior to the occupation of the dwellinghouse.
 - (ii) A layout to accommodate a minimum of two car parking spaces which shall be formed prior to the occupation of the dwellinghouse.

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

- (iii) Suitable storage for waste disposal/collection which shall be formed prior to the occupation of the dwellinghouse.
- 4. In pursuance of condition 1(iii), the scheme shall include;
 - (i) The location of new trees, shrubs, hedges, and grassed areas.
 - (ii) A schedule of plants to compromise species, plant sizes and proposed numbers and density.
 - (iii) The location, design and materials of all hard landscaping works including walls, fences, gates, and any other means of enclosure.

All soft and hard landscaping proposals shall be carried out in accordance with the approved scheme and shall be completed during the planting season immediately following the commencement of the development, or such date as may be agreed in writing with the Planning Authority.

Any planting which, within a period of 5 years from the completion of development, in the opinion of the Planning Authority is dying, has been severely damaged or is becoming seriously diseased, shall be replaced by plants of similar size and species to those originally required to be planted.

- 5. The development shall be in accordance with the requirements of Perth & Kinross Council's Developer Contributions and Affordable Housing Supplementary Guidance 2016 in line with Policy PM3: Infrastructure Contributions of the Perth & Kinross Local Development Plan 2014 with particular regard to transport infrastructure, unless otherwise agreed in writing with the Council as Planning Authority.
- 6. The development shall be in accordance with the requirements of Perth & Kinross Council's Developer Contributions and Affordable Housing Supplementary Guidance 2016 in line with Policy PM3: Infrastructure Contributions of the Perth & Kinross Local Development Plan 2014 with particular regard to primary education infrastructure, unless otherwise agreed in writing with the Council as Planning Authority.

Justification

The proposal is considered to comply with the Development Plan and there are no other material considerations that would justify a departure therefrom.

Informatives

- 1. Application for the approval of matters specified in conditions shall be made before the expiration of 3 years from the date of the grant of planning permission in

PERTH AND KINROSS COUNCIL
PLANNING AND DEVELOPMENT MANAGEMENT COMMITTEE
18 OCTOBER 2017

principle, unless an earlier application for such approval has been refused or an appeal against such refusal has been dismissed, in which case application for the approval of all outstanding matters specified in conditions must be made within 6 months of the date of such refusal or dismissal.

The approved development shall be commenced not later than the expiration of 3 years from the date of grant of planning permission in principle or 2 years from the final approval of matters specified in conditions, whichever is later.

2. Applicants are advised that should their application for Approval of Matters specified be refused and/or their appeal against such refusal dismissed outwith the three year time limit they are entitled to submit a revised application for Approval of Matters specified within six months after the date of refusal of the earlier application or of the dismissal of an appeal against such refusal.
3. The applicant is advised that the granting of planning consent does not guarantee a connection to Scottish Water's assets. The applicant must make a separate application to Scottish Water Planning & Development Services team for permission to connect to the public wastewater system and/or water network and all their requirements must be fully adhered to.
4. An inspection of the proposed development site did not raise any real concerns, although historical mapping indicates there was previously a nearby use which may have resulted in contamination in the vicinity of the site. The applicant is advised that, given historical uses of the wider area, there may be potential for contamination within the site. Should any contamination be found during the approved works, works should cease and the Land Quality team should be contacted on 01738 475000 or es@pkc.gov.uk for further advice.
