

BLAIRGOWRIE COMMON GOOD FUND COMMITTEE

3 October 2018

Applications for Financial Assistance

Report by Depute Chief Executive (Report No. 18/307)

The report asks Blairgowrie Common Good Fund Committee to consider two applications for financial assistance from Perth Autism Support and Blairgowrie and Rattray Community Council.

1. BACKGROUND

- 1.1. Perth and Kinross Council owns land and property which forms part of the Common Good of the former burghs in Perth & Kinross and has a statutory duty in terms of section 15 of the Local Government etc. (Scotland) Act 1994 to administer this land and property “having regard to the interests of the inhabitants” of those former burghs. This duty also applies to the administration of the associated Common Good Funds.
- 1.2. Local residents and organisations can apply to Common Good Funds for support to develop projects in the Common Good area. These grants allow individuals and local organisations to carry out a wide range of community based activities. Retrospective applications are not accepted. However, if an application is received before the project takes place and cannot be considered at the following meeting because papers have already been issued, the application will be considered at the next meeting even if the activities have taken place. Therefore, the Committee decision will only be known after the activities have taken place, and if the grant is not awarded, the applicant will have to fund the activities from its own funds.
- 1.3. Applications for Financial Assistance are infrequent and there is no approved Financial Assistance budget for the fund. The audited revenue balance of Blairgowrie Common Good Fund at 1 April 2018 is £21,371, with estimated interest to be earned for 2018/19 of £350. An application was approved by the Committee at the previous meeting for £750 ([Report 18/207](#) refers). The projected 2018/19 deficit for the Fund, which does not take into account the applications to be considered at this meeting, is £400.
- 1.4. In the event that Committee approves further funding, which is an option open to Committee, the Revenue Account balance of the Fund will reduce accordingly. The 2018/19 Financial Statement report to be considered at this meeting provides details of the estimated income and expenditure for the year, the Revenue Account balance at 1 April 2018, and the estimated Revenue Account balance at 31 March 2019 for the Fund.

An equality impact assessment needs to be carried out for functions, policies, procedures or strategies in relation to race, gender and disability and other relevant protected characteristics. This supports the Council's legal requirement to comply with the duty to assess and consult on relevant new and existing policies.
- 3.2 The function, policy, procedure or strategy presented in this report was considered under the Corporate Equalities Impact Assessment process (EqIA) with the following outcome: No further action is required as the items summarised in the committee report do not require further assessment as they do not have an impact on people's wellbeing or equality protected characteristics.

Strategic Environmental Assessment

- 3.3 Strategic Environmental Assessment (SEA) is a legal requirement under the Environmental Assessment (Scotland) Act 2005 that applies to all qualifying plans, programmes and strategies, including policies (PPS). The matters presented in this report were considered under the Environmental Assessment (Scotland) Act 2005 and no further action is required as it does not qualify as a PPS as defined by the Act and is therefore exempt.

Sustainability

- 3.4 Under the provisions of the Local Government in Scotland Act 2003 the Council has to discharge its duties in a way which contributes to the achievement of sustainable development. In terms of the Climate Change Act, the Council has a general duty to demonstrate its commitment to sustainability and the community, environmental and economic impacts of its actions.
