### CHART A1: Performance 2016/17 to 2021/22: PKC, Comparator Authorities and Scotland

**Commentary:** The national trend down is linked to higher expectations from Care Inspectorate inspections and introduction of the National Standard for ELC. National and comparator figures are now available for 2021/22 which show PKC out-performing comparator and national benchmarks.

Note: Vertical axis adjusted to emphasise differences

<sup>1</sup> Note that rounding of percentage figures may mean totals reported elsewhere do differ.

<sup>2</sup> Note that comparator and national proportions include all services for day care of children whereas Perth and Kinross figures only represent local authority and partner provider services. It also restates previous gradings when quality themes are not assessed.

<sup>3</sup> Comparator local authorities are Argyll and Bute, Aberdeenshire, Stirling, Scottish Borders and Highland Council. Comparator and national proportions currently available until December 2021

<sup>4</sup> Inspected, published and reported to Lifelong Learning Executive Sub Committee by 21 March 2022.

<sup>5</sup> There is no performance to report for the year 1 April 2020 to 31 March 2021.

(Comparator and National Data as of 31 December 2021)**

**Current Position**

The chart above illustrates the aggregated individual results of inspections over a five year period. Some settings will be inspected more than once during this period, and some Quality Indicators are not covered in every inspection. The accumulated result of all these inspections is the current position of all Early Learning and Childcare services in Perth & Kinross - shown in these charts. This summarises the proportion of settings that currently have a Good or better rating, based on the latest inspection for each indicator.
