REPRESENTATIONS

Good Afternoon,

Scottish Water has no objection to this planning application.

According to our records there is no public Scottish Water, Waste Water infrastructure within the vicinity of this proposed development therefore we would advise applicant to investigate private treatment options for any additional surface water.

I trust the above is acceptable however if you require any further information regarding this matter please contact me on 0800 389 0379 or via the e-mail address below or at planningconsultations@scottishwater.co.uk.

Kind regards,

Angela
