## Applications for Financial Assistance

## Report by Director (Environment)

The report asks Coupar Angus Common Good Fund Committee to consider 1 application for financial assistance.

**1. BACKGROUND**

- 1.1 Perth and Kinross Council owns land and property which forms part of the common good of the former burghs in Perth & Kinross and has a statutory duty in terms of section 15 of the Local Government etc. (Scotland ) Act 1994 to administer this land and property “having regard to the interests of the inhabitants” of those former burghs. This duty also applies to the administration of the associated common good funds.
- 1.2 The Common Good Funds have traditionally demonstrated their support to local residents and organisations by distributing grant. These grant awards allow individuals and local organisations to carry out a wide range of community based activities. For each application, the level of previous grant awarded is listed, but variances between years could be due to the numbers of participants. Retrospective applications are not accepted. However, if an application is received before the activities take place and cannot be considered at the following meeting because the papers have already been issued, the application will be considered at the following next meeting even if the activities have taken place between meetings. Therefore, the Committee decision will only be known after the activities have taken place, and if the grant is not awarded, the applicant will have to fund the activities from its own funds.
- 1.3 The unaudited Capital and Revenue Account balance for the Coupar Angus Common Good Fund as at 1 April 2017 is:-

Capital	£129.86
Revenue	£1,050.25
<b>Total Funds available for distribution</b>	<b>£1,180.11</b>
