TRANSFORMATION PROGRAMME 2015-2020

Report by Depute Chief Executive (Chief Operating Officer) (Report No. 19/174 (Revised))

This report gives an update on phase four of the Transformation Programme approved by the Council on 1 July 2015 (Report 473/15) and provides an overview of progress on the current projects.

1. BACKGROUND / MAIN ISSUES

- 1.1 The Council's Transformation programme supports the Council's approach to public service reform and aims to encourage innovation, creativity, flexibility and greater entrepreneurship to meet the significant challenges ahead.
- 1.2 A major part of the Council's transformation strategy is being delivered through a programme of transformation reviews. The current programme has 14 projects in total aimed at developing new ways of working to sustain high quality service delivery, and for some, achieving a challenging level of savings.
- 1.3 We are now into phase four of the transformation programme initiated over the past three years, this phase being agreed by council in April 2018 (Report 18/137).

2. PROGRESS TO DATE

- 2.1 Progress on each of the projects is provided in Appendix 1 and 2 reported through the project management system (VERTO). Appendix 1 gives an overview of the status of each project and more detail is provided in Appendix 2.
- 2.2 In relation to the status of the 14 active transformation projects, 7 are on target; 5 projects have some issues identified and 2 are reported as being at risk.
- 2.3 Savings to date from completed projects amount to £2 million, excluding the savings achieved by the transformation projects which are now reported to the Integrated Joint Board (IJB) for Health and Social Care.

3. CONCLUSION AND RECOMMENDATIONS

- 3.1 This report updates the Strategic Policy and Resources Committee on the Council's five-year transformation programme. It summarises the progress

across 14 projects, identifies those on target and those with issues and risks, which are managed by project boards and the Corporate Transformation Board.

3.2 The Strategic Policy and Resources Committee is asked to:

- (a) Note the progress related to the Transformation Programme, as detailed in Appendices 1 and 2.
