4. APPLICATIONS FOR REVIEW

- (i) **LRB-2023-50
Planning Application – 23/01235/IPL – Renewal of permission 20/00985/IPL (Erection of farm shop and formation of ancillary parking (in principle)), land 60 metres east of Tay Cottage, Killin – T Allen and B Snoxhall**

Members considered a Notice of Review seeking a review of the decision by the Appointed Officer to refuse renewal of permission 20/00985/IPL (Erection of farm shop and formation of ancillary parking (in principle)), land 60 metres east of Tay Cottage, Killin.

The Planning Adviser displayed photographs of the site and described the proposal, and thereafter summarised the Appointed Officer's Report of Handling and the grounds set out in the Notice of Review.

Decision:

Resolved by unanimous decision that:

- (i) having regard to the material before the Local Review Body and the comments from the Planning Adviser, sufficient information was before the Local Review Body to determine the matter without further procedure.

Thereafter, resolved by majority decision that:

(ii) the review application for renewal of permission 20/00985/IPL (Erection of farm shop and formation of ancillary parking (in principle)), land 60 metres east of Tay Cottage, Killin, be refused for the following reasons:

1. The proposal is contrary to Policy 13: Sustainable Transport of the National Planning Framework 4 (NPF4) as the proposal is likely to only be accessible by private car and fails to provide for (i) direct, easy, segregated and safe links to local facilities and communities via walking, wheeling and cycle networks, and (ii) accessible public transport ideally supporting the use of existing services.
2. The proposal is contrary to Policy 29: Rural Development of the National Planning Framework 4 (NPF4) as no detailed current information has been provided to demonstrate how the proposed development relates to the current operation of Morenish Farm and to demonstrate how the proposal contributes towards the viability, sustainability and diversity of the rural community and local rural economy. Furthermore, the site is remote and likely to be only accessible by private car and therefore fails to contribute towards local living and there is no provision for sustainable transport access.
3. The proposal is contrary to Policy 30: Tourism of the National Planning Framework 4 (NPF4) in particular criteria (i) as there is no up to date supporting information on the contribution which the proposal would make to the local economy and criteria (iv) as no information has been presented on opportunities for sustainable travel or any consideration of traffic generation or scope for sustaining rural public transport services.

Justification

The proposal is not in accordance with the Development Plan and there are no material reasons which justify departing from the Development Plan.

Note: Councillor Illingworth dissented from the majority opinion. He considered that the proposed development was on a tourist route, Heart 200, and therefore complied with policy and permission (in principle) should be granted.

Thereafter, resolved by majority decision that:

- (ii) the review application for change of use from flat to a short-term let accommodation unit (in retrospect), 81 Balhousie Street, Perth, PH1 5BG be granted, subject to the imposition of relevant terms and conditions.

Justification

It was considered that the proposal was in accordance with the Development Plan and should therefore be granted subject to suitable conditions.

Note: Councillor Stewart dissented from the majority opinion. He considered that the proposed development was not in accordance with the Development Plan and the Appointed Officer's decision should be upheld.

Thereafter, resolved by majority decision that:

- (ii) the review application for change of use of flat to form short-term let accommodation, 4 Kirk View Apartments, Bonneathill Road, Pitlochry, PH16 5FB, be refused for the following reasons:
 - 1. The proposed retrospective change of use is contrary to Policy 30(e): Tourism of National Planning Framework 4 (2023) as the proposal would result in i) an unacceptable impact on local amenity and character of the area, and ii) the loss of residential accommodation where such loss is not outweighed by demonstrable local economic benefit.
 - 2. The proposal is contrary to National Planning Framework 4 (2023) Policy 14(c): Design, Quality and Place, and Perth and Kinross Local Development Plan 2 (2019) Policy 1A: Placemaking and Policy 17(d): Residential Areas, as the short term let accommodation would adversely impact on the amenity of neighbouring residents and the short-term let use would not be compatible with the amenity and character of the surrounding predominantly residential area.

Justification

The proposal is not in accordance with the Development Plan and there are no material reasons which justify departing from the Development Plan.
