

# Perth and Kinross IJB Strategic Plan on a Page

## Our Vision

We want every person in Perth and Kinross to live in the place they call home with the people and things they love, in good health and with the care and support they need, in communities that look out for one another, doing the things that matter most to them.

## Outcomes

- NHWO1** People are able to look after and improve their own health and wellbeing and live in good health.
- NHWO2** People, including those with disabilities or long term conditions or who are frail, are able to live, as far as reasonably practicable, independently and at home or in a homely setting.
- NHWO3** People who use Health and Social Care services have positive experiences of those services and have their dignity respected.
- NHWO4** Health and Social Care services are centred on helping to maintain or improve the quality of life of people who use those services.
- NHWO5** Health and Social care services contribute to reducing health inequalities.
- NHWO6** People who provide unpaid care are supported to look after their own health and wellbeing, including to reduce any negative impact on their caring roles on their own health and wellbeing.
- NHWO7** People using health and social care services are safe from harm.
- NHWO8** People who work in health and social care services feel engaged with the work they do and are supported to continuously improve the information, support, care and treatment they provide.
- NHWO9** Resources are used effectively and efficiently in the provision of health and social care services.

## Our Priorities

-  **Value our workforce, support them to keep well, learn and develop.**
-  **Target resources to where people and communities need help most.**
-  **Make it easier for people to understand where and how to access services**
-  **Provide health and social care supports close to home.**
-  **Work with communities to design the health and social care supports they need.**
-  **Improved Integrated Working**
-  **Promote Self-management and Living Well**

## Our ambitions

- We want people to stay as well as possible for as long as possible.
- We want people to live as independently as possible for as long as is safely possible.
- We want people to be able to thrive and feel valued members of their community

## How we'll know we've made a difference

- Carers feel supported to be able to continue in the caring role.
- More people will agree that they live in suitable accommodation at home and in their community.
- People will feel their Health and Social Care support was well communicated and accessible.
- People will feel they have had a say in how the Health and Social Care support was provided.
- People will feel their Health and Social Care Support is well coordinated
- Our communities will see their thoughts and ideas in our service delivery.
- People will feel that services supported them to look after their own health and wellbeing.
- People experience quicker access to the right services at the right time
- There will be a reduction in unnecessary admissions and readmission's to hospital
- We will see a reduction in Long Term Hospital stays
- People will have greater access to employment and day opportunities
- Our staff feel that they are treated fairly and consistently with dignity and respect in an environment where diversity is valued;

## How we'll do it
