

APPENDIX 2

Cycling, Walking and Safer Streets (CWSS) Projects 2016/17

Traffic Calming / Community Schemes		
1	Perth Street/Reform Street, Blairgowrie	CWSS £12,000.00
	Provision of flat-topped ramp across junction to reduce vehicle speeds and encourage compliance with Zebra crossing. See Plan No 1	
2	Airlie Street, Alyth	CWSS £2,000.00
	Provision of build-out at Mart Street junction to reduce vehicle speeds on Airlie Street and improve visibility from Main Street. See Plan No 2	
3	City Centre, Perth	CWSS £10,000.00
	Provision of corduroy tactile paving and other minor measures to improve the city centre for pedestrians with visual and mobility impairment. See Plan No 3	

Safer Routes to Schools		
4	Gowan's Terrace, Perth	CWSS £12,000.00
	Provision of alternative access to North Inch Campus car park to relieve congestion at Gowan's Terrace/The Rookery junction. See Plan No 4	
5	South Street, Milnathort	CWSS £8,000.00
	Provision of build-out and relocation of Belisha beacon on east side of South Street to facilitate pedestrians using Zebra crossing. See Plan No 5	
6	Main Street, Bridge of Earn	CWSS £11,000.00
	Provision of build-out opposite Manse Road junction to facilitate School Crossing Patroller site. Completion of 2015/16 project. See Plan No 6	
7	George Street/Union Street, Coupar Angus	CWSS £6,000.00
	Provision of speed cushions approaching Zebra crossing at The Cross to reduce vehicle speeds and encourage compliance of the crossing by drivers. See Plan No 7	
8	Kingswell Road, Longforgan	CWSS £8,000.00
	Provision of 2.5m wide footway on Kingswell Road to link Janet Forbes Avenue with Mary Findlay Drive. Continuation of 2015/16 project. See Plan No 8	

Cycle Schemes		
9	Lawgrove Place, Inveralmond	CWSS £2,000.00
	Provision of 2.5m wide shared use path for cyclists and pedestrians from Lawgrove Place to River Almond cycle path. See Plan No 9. It is proposed to make an application for match funding from Sustrans during the year for this project.	
10	Ruthvenfield Place, Inveralmond	CWSS £2,000.00
	Provision of 2.5m wide shared use path for cyclists and pedestrians from Ruthvenfield Place to River Almond cycle path. See Plan No 10. It is proposed to make an application for match funding from Sustrans during the year for this project.	

Schemes previously match funded by Sustrans in 2015/16		
10	Ardblair Trail, Blairgowrie Phase 6	CWSS £75,000.00
	Provision of 2.5m shared use path for cyclists and pedestrians from Elm Drive to Woodlands Road as continuation of Ardblair Trail. Project deferred from 2015/16 due to land issues. See Plan No 11	

	Engineering Administration	£16,000.00
	CWSS	£148,000.00
	TOTAL	£164,000.00
