

Appendix 1

PERIODS OF COVER 2022 - 2023

Instructions on reporting times for Nightshift crews Sunday to Friday, early start crews Monday to Friday and standby crews 7 days per week, will be issued by Roads Maintenance Partnership Staff the previous day.

Period	Standby vehicles available						Total	
(All changes take place at 12 noon)	South			North				
	Perth	Kinross	Crieff	Blairgowrie	Aberfeldy			
17 October – 30 October 2022	3	1	1	3	3		11	Lead in period – limited vehicles on reduced cover
31 Oct 2022 – 5 March 2023	6	2	3	6	5		22	Main standby period – full cover
25 Nov 2022 – 24 Feb 2023	5 plus 1n/shift	1 plus 1 n/shift	2 plus 1 n/shift	5 plus 1 n/shift	5		22	Main standby period – full cover incl. nightshifts
25 Feb 2023 – 5 March 2023	6	2	3	6	5		22	Main standby period – full cover
6 March 2023 – 26 March 2023	3	1	1	3	3		11	Lead out period - limited vehicles on reduced cover
27 March 2023 – 16 April 2023	0	1	1	1	1		4	Required roads treated

During all periods the road condition weather forecast is monitored and daily action plan devised.
During lead in/lead out periods it is not possible to treat all parts of the network and so available resources will be deployed to best effect in relation to weather conditions being experienced
