Amendments to the List of Public Roads

Report by Deputy Director (Housing & Environment) (Report No. 19/139)

This report recommends that the List of Public Roads be updated to take account of the amendments detailed in this report.

1. BACKGROUND / MAIN ISSUES

- 1.1 The Roads (Scotland) Act 1984 requires the Council to keep a List of Public Roads, which it has a duty to manage and maintain. The Act makes provision for new or upgraded sections of road to be added to the List from time to time.
- 1.2 The majority of the roads listed on the attached schedule were constructed under Construction Consent. They have been completed in accordance with the Council's road standards and a satisfactory twelve-month maintenance period has expired. The developer has requested that they be added to the List of Public Roads. Consequently, in accordance with Section 16 of the Roads (Scotland) Act 1984, the Council, as Roads Authority, is obliged to add such roads to its List of Public Roads.
- 1.3 Exceptions to the above is Airlie Street, Alyth and Wallace Gaite, Perth. The footway was improved and widened on Airlie Street, Alyth by Perth and Kinross Council as part of the Alyth Square improvement works. Wallace Gaite, Perth has been added to the schedule as it has been maintained by Perth & Kinross Council for over 10 years and has been missed historically from the List of Public Roads.

2. PROPOSALS

- 2.1 It is proposed to amend the List of Public Roads as detailed in the attached schedule.

3. CONCLUSION AND RECOMMENDATION

- 3.1 The roads detailed in the attached schedule have been completed to the required standards and should now be added to the List of Public Roads.
- 3.2 It is recommended that the Committee approves the amendments to the List of Public Roads as detailed in Appendix 1.

1. Strategic Implications

Corporate Plan

- 1.1 The Council's Corporate Plan lays out five outcome focussed strategic objectives which provide clear strategic direction, inform decisions at a corporate and service level and shape resources allocation. They are as follows:

- (i) Giving every child the best start in life;
- (ii) Developing educated, responsible and informed citizens;
- (iii) Promoting a prosperous, inclusive and sustainable economy;
- (iv) Supporting people to lead independent, healthy and active lives; and
- (v) Creating a safe and sustainable place for future generations.

- 1.2 This report relates to (iv) and (v) above.

2. Resource Implications

Financial

- 2.1 There are no capital resource implications arising directly from the recommendations in this report.

- 2.2 The revenue commitments arising from the routine maintenance of the new roads are detailed in the schedule. The amount of £9,521 for routine and cyclic maintenance, and additional expenditure on street cleaning, will require to be prioritised within the existing Housing & Environment Service Revenue Budget in future years.

3. Assessments

- 3.1 Under the Equality Act 2010, the Council is required to eliminate discrimination, advance equality of opportunity, and foster good relations between equality groups. Carrying out Equality Impact Assessments for plans and policies allows the Council to demonstrate that it is meeting these duties.
- 3.2 This section should reflect that the proposals have been considered under the Corporate Equalities Impact Assessment process (EqIA) with the following outcome:

- (i) Assessed as **not relevant** for the purposes of EqIA

Strategic Environmental Assessment

- 3.3 The Environmental Assessment (Scotland) Act 2005 places a duty on the Council to identify and assess the environmental consequences of its proposals.
- 3.4 This section should reflect that the proposals have been considered under the Act and no further action is required as it does not qualify as a Plan, Programme or Strategy (PPS) as defined by the Act and is therefore exempt.

4. Consultation

Internal

- 4.1 The Head of Legal and Governance and the Head of Finance have been consulted in the preparation of this report.

External

- 4.2 A notice was placed in the local newspaper. No objections were received.

2. BACKGROUND PAPERS

- 2.1 No background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information), were relied on to any material extent in preparing the above report.

3. APPENDICES

- 3.1 Appendix 1 - Schedule for Additions to the List of Public Roads
