

Implementation Update June 2019

Multi-Disciplinary Team Recruited

All members of the team have been recruited and there is now have a full complement of staff.

Manager, Team Leader, Senior Practioner x 2,
Performance and Evaluation Officer, Clinical
Psychologist, Speech and Language Therapist,
Outreach Teacher, Social Worker x 4 FTE and Senior
Social Care Officer x 10.5 FTE.

Speech & Language

All REACH clients have been screened for a Speech and Language Communication Need. So far approximately 60% of REACH clients have an identified SLCN compared to 5-10% of the general population.

START:AV

REACH Social Workers are amongst the first in Scotland to be trained in Short-Term Assessment of Risk and Treatability: Adolescent Version (START-AV). This will help to record young peoples strengths, vulnerabilities and risk in a consistent way.

Operational Guidance and Processes Created

REACH operational guidance, process maps and evaluation plan have all been created. These documents describe the roles and responsibilities of everyone in the team, shows how a young person would interact with each member of the team and how REACH will measure their effectiveness.

REACH Building Completed

The REACH building has been completed and all staff are working from their new base.

Outreach Teacher

All REACH clients have been considered by the Outreach Teacher. Individualised support is being given to the young people who need it in a way they can engage with. Helping them on their way with their choose future path.

Clinical Psychology

The REACH Clinical
Psychologist is supporting
young people and their
families, providing expert
opinion to staff, foster
carers and adoptive parents
to help them understand
the young person's
presentation.
