PROVOST'S SUPPER– 27 JANUARY 2017

Report by Head of Democratic Services

PURPOSE OF REPORT

Following on from the success of the Provost's Supper on 29 January 2016, this report outlines a proposal to host a similar event in 2017.

1. BACKGROUND / MAIN ISSUES

- 1.1 Throughout Perth and Kinross, there are people who work tirelessly for the benefit of their communities, who do not seek or receive official recognition for the valuable work that they do.
- 1.2 At its meeting on 21 December 2012, the Provost's Sub-Committee agreed that an annual civic event be held, in the form of a Provost's Supper, in order to formally thank and give civic recognition to individuals throughout Perth and Kinross who significantly contribute to their communities.
- 1.3 The inaugural event took place on 1 February 2013; with subsequent events on 31 January 2014, 30 January 2015 and 29 January 2016. At the generous invitation of the Trustees of St John's Kirk, these events have been held in St John's Kirk, Perth.
- 1.4 In addition to a top table hosted by the Provost, there are twelve tables, one for each of the twelve wards of the Perth and Kinross Council area. Councillors from each ward are asked to nominate individuals from within their ward who have made significant contributions to their local community. Guests in attendance are hosted on the night by ward Councillors. The total number in attendance at each event was approximately 130 people.
- 1.5 Feedback from invited guests and Councillors who attended the Suppers has overwhelmingly indicated these were extremely successful and valued events, and the venue of St John's Kirk, Perth was viewed as a stunning and appropriate backdrop.

2. PROPOSALS

- 2.1 Building on the success of the previous four events, it is proposed that a fifth Provost's Supper be held on 27 January 2017.

- 2.2 The Trustees of St John's Kirk have again offered St John's Kirk as the venue for the 2017 Provost's Supper. As with the previous events, the Trustees have indicated that they will not charge the Council for the hire of the building, however, they have requested a contribution towards the direct costs incurred in staging the event, ie the hourly costs of Church Officers and a contribution towards heating and lighting. In 2016, the Council's contribution amounted to £600.

3. CONCLUSION AND RECOMMENDATIONS

- 3.1 It is envisaged that the 2017 Provost's Supper will again provide a valuable opportunity for the Provost and Councillors to recognise and thank individuals within the Perth and Kinross area for their contributions to local communities.
- 3.2 It is recommended that the Provost's Sub-Committee:-
- (a) Notes the success of the first four Provost's Suppers.
 - (b) Agrees to host a fifth Provost's Supper to recognise and thank those individuals who have significantly contributed to their local communities, and that the event again takes the form of a Burns Supper for approximately 135 guests, to be held on 27 January 2017, as set out in this report.
 - (c) Agrees to accept the offer from the Trustees of St John's Kirk, Perth to again hold the event in St John's Kirk, Perth, with the Council contributing towards the direct costs of staging the event in the Kirk.
 - (d) Agrees to delegate authority to the Head of Democratic Services, in consultation with the Provost, to finalise the arrangements for the event.
