

Kinross Common Good Fund Committee

17 December 2020

Applications for Financial Assistance

Report by Executive Director (Communities) (Report No. 20/253)

The report asks Kinross Common Good Fund Committee to consider one application for financial assistance from Kinross-shire Move Greener

1. BACKGROUND

- 1.1 Perth and Kinross Council owns land and property which forms part of the common good of the former burghs in Perth & Kinross and has a statutory duty in terms of section 15 of the Local Government etc. (Scotland) Act 1994 to administer this land and property “having regard to the interests of the inhabitants” of those former burghs. This duty also applies to the administration of the associated Common Good Funds.
- 1.2 The Common Good Funds have traditionally demonstrated their support to local residents and organisations by distributing grants. These grant awards allow individuals and local organisations to carry out a wide range of community based activities. For each application, the level of previous grant awarded is considered and listed below, but variances between years could be due to the numbers of participants. Retrospective applications are not accepted. However, if an application is received before the activities take place and cannot be considered at the following meeting because the papers have already been issued, the application will be considered at the following next meeting even if the activities have taken place between meetings. Therefore, the Committee decision will only be known after the activities have taken place, and if the grant is not awarded, the applicant will have to fund the activities from its own funds.
- 1.3 At the meeting of 24 February 2016, the Committee requested that £157,000 of the Revenue balance of the fund was to be ring-fenced as ‘Capital’. The Audited Revenue Balance at 1 April 2020, an estimate of the income for 2020/21 and the value of funding to be considered by this meeting is summarised below:

Audited Revenue Balance at 1 April 2020	£158,435
Estimated income for 2020/21	£700
Value of application to be considered by Committee	£4,820

2. PROPOSALS

Kinross-shire Move Greener

An application from Kinross-shire Move Greener has been received seeking funding for a 12 month pilot car sharing scheme in Kinross. The funding is for 50% of the cost of a vehicle, including the depreciation value over the pilot period, maintenance, cleaning and insurance. The group are hoping to add to the fleet if this pilot proves successful and potentially add a bike share scheme as well. The group will monitor use of the car to help to assess the financial viability of an expanded project. The project will benefit approximately 600 people from the Common Good area and 210 from outside. The scheme will provide environmental benefits by reducing the number of people using private vehicles. The project will run from January to December 2021. The total cost of the project is £4,820 and the group are asking for the full amount. If the group secure funding they will be eligible for match funding from Enterprise of £3,600 to help with vehicle costs. Other costs include marketing (£500) and VAT (£720).

3. CONSIDERATION

- 3.1 The Committee is asked to consider the request in the report.
