

Appendix 3: Summary of Education Scotland Inspections

National and Comparator Authority Benchmarking 2016/17 to 2018/19

Early Learning and Childcare Inspections¹

Quality Indicators (QIs) - Good or better (%)

PKC perform consistently better than comparator authorities and at national level when inspected by Education Scotland. Most inspections show that we are strong in ensuring wellbeing, equality and inclusion and securing children's progress. The majority of inspections show that ELC settings perform well, analysis indicates that improvements are required in some settings in the areas of learning, teaching and assessment, leadership of change and self-evaluation. A number of interventions are in place to improve performance in those areas.

¹ Comparator Local Authorities are Aberdeenshire, Argyll & Bute, Highland, Scottish Borders and Stirling.

Primary Inspections

Quality Indicators (QIs) - Good or better (%)

Data shows that schools in Perth and Kinross continue to perform better than those in their comparator authorities. Inspection data for primary schools from 2019 - 2020 includes 4 evaluations of satisfactory or below, with 8 evaluations of good or above. Inspection data for secondary schools from 2019-2020; there were 6 evaluations of satisfactory or below. Inspection data for special schools from 2019-2020; all evaluations were good or above. Where evaluations are satisfactory or weak, the quality improvement team take a 'team around the school' approach in order to secure improvements. Action plans are put in place which are supported by relevant education officers. These are regularly monitored and reviewed with a final report on improvements being presented to parents. Quality Improvement Officers are currently working with Headteachers and staff within 2 Primary and 2 Secondary schools to take forward action plans to address the outcomes of these inspections.

Inspections from 2016/17 to date

Early Learning and Childcare Inspections
