Strategic Policy and Resources Committee

Granting of Non-Domestic Rates Relief

Report by Executive Director (Housing and Community Care)

PURPOSE OF REPORT

This report is to advise the Committee of the amount of discretionary Non-Domestic Rates relief granted in respect of new applications made during financial year 2013/14.

1. BACKGROUND / MAIN ISSUES

- 1.1 For governance purposes an annual report of all properties granted relief during the preceding financial year is submitted to Committee.
- 1.2 The Scheme of Administration allows the Executive Director (Housing & Community Care) the power to grant discretionary Non-Domestic Rates relief.

Charitable and Non Profit Organisations (80% mandatory relief)

- 1.3 Under rating legislation the Council must grant 80% mandatory relief to qualifying charitable and non-profit organisations.
- 1.4 The Council may also grant additional discretionary relief (beyond 80%) to these charitable and non-profit organisations.
- 1.5 The current Perth & Kinross Council practice is to award a 20% “top-up” relief to charitable organisations that qualify for the 80% mandatory relief, with the exception of charity shops.
- 1.6 Current practice also allows 100% discretionary relief to be awarded for clubs, societies and organisations not established or conducted for profit whose main objective is charitable or whose main aims are educational, religious, improving social welfare, concerned with science, literature and/or fine arts or mainly used for the purpose of recreation.
- 1.7 The relief cannot be awarded to the Council itself.

Designated Rural Settlement Areas – Qualifying Premises (50% mandatory relief)

- 1.8 Qualifying Post Offices, general stores, food stores, petrol filling stations, public houses and hotels in designated rural settlement areas may also be awarded discretionary rates relief.
- 1.9 In each of the above situations within 1.8 above where there is an entitlement to 50% mandatory relief, current Perth & Kinross Council practice allows a discretionary award of 50% to be given also.

Designated Rural Settlement Areas – Benefits to Local Community (0% mandatory relief)

- 1.10 Discretionary relief may also be awarded in respect of other qualifying premises in designated rural areas provided they are of benefit to the local community.
- 1.11 Such relief, at a 100% rate, is awarded under current practice where the subject is used for the benefit of the local community and it is reasonable to make the award giving regard to the Council Tax payers’ requirement to fund this.
- 1.12 Examples of such subjects include village schools and public conveniences.

2. PROPOSALS

- 2.1 It is requested that the Committee note the content of this report and the amount of £5423.32 being the cost of discretionary Non-Domestic Rates relief granted in respect of new applications made during the preceding financial year, as detailed in Appendix A.

3. CONCLUSION AND RECOMMENDATIONS

- 3.1 This report is for governance purposes.
- 3.2 It is recommended that Committee note the content of this report.

1. Strategic Implications

Community Plan / Single Outcome Agreement / Corporate Plan

1.1 Housing & Community Care provides a range of functions for customers. These functions support the work of the whole Council by assisting in the delivery of the Council's corporate objectives. As a consequence, this report does not specifically relate to one of the objectives but assists with the delivery of all five, namely:

- (i) Giving every child the best start in life
- (ii) Developing educated, responsible and informed citizens
- (iii) Promoting a prosperous, inclusive and sustainable economy
- (iv) Supporting people to lead independent, healthy and active lives
- (v) Creating a safe and sustainable place for future generations

2. Resource Implications

Financial

2.1 Where discretionary rates relief is awarded, 75% of the amount is met by the National Non-Domestic "pool" arrangements and the remaining 25% falls to be met by the Council Tax payers of the Perth & Kinross Council area.

The policies relating to discretionary rates relief ensure that relief is awarded only where it is reasonable to do so and regard is always given to the impact on Council Tax payers.

The cost to the Council of granting discretionary relief during financial year 2013/14 was £168,803.69.

Of this amount, the cost to the Council of granting new awards of discretionary relief during financial year 2013/14 was £5423.32 (details are given in Appendix A).
