The Environment Service Scheme of Charges 2015/16

Report by Depute Director (Environment)

This report provides details of the charges in place for services provided by the Environment Service for financial year 2015/16. The charges are detailed in Appendix 1.

1. BACKGROUND

- 1.1 A review of charges for services was undertaken by the Scrutiny Committee with the final report "Scrutiny Review Charging for Services 2014" being approved by the Scrutiny Committee on 28 January 2015 (report no 15/65 refers). This report recommended that Services submit a revised scheme of charges annually to the relevant themed committee.

2. PROPOSALS

- 2.1 The Environment Service provide a diverse and wide range of chargeable services to the public and business community ranging from burials and planning fees to parking and commercial waste.
- 2.2 The charging arrangements are set based on a combination of legislative requirements, national policy guidance, market competition and local guidance. As a result there is a mix of discretionary and non-discretionary charges levied by The Environment Service.
- 2.3 All income generated by charges contributes to service budgets and ensures the continued development and delivery of high quality services.
- 2.4 Appendix 1 provides a detailed breakdown of the charges levied with effect from 1 April 2015, for the services areas linked to The Environment Committee.

3. CONCLUSION AND RECOMMENDATION

It is recommended that the Environment Committee note the charges detailed in Appendix 1.

1. Strategic Implications

Community Plan / Single Outcome Agreement

- 1.1 The Perth and Kinross Community Planning Partnership (CPP) brings together organisations to plan and deliver services for the people of Perth and Kinross. Together the CPP has developed the Perth and Kinross Community Plan which outlines the key things we think are important for Perth and Kinross.
- i) Giving every child the best start in life
 - ii) Developing educated, responsible and informed citizens
 - iii) Promoting a prosperous, inclusive and sustainable economy
 - iv) Supporting people to lead independent, healthy and active lives
 - v) Creating a safe and sustainable place for future generations
- 1.2 It is considered that the actions contained within this report contribute to all of the above objectives.

Corporate Plan

- 1.3 The Council's Corporate Plan 2013-2018 outlines the same five objectives as those detailed above in the Community Plan. These objectives provide a clear strategic direction, inform decisions at a corporate and service level and shape resource allocation. It is considered that the actions contained in the report contribute to the objectives as outlined in paragraph 1.2 above. These objectives are met by implementing schemes which promote road safety.

2. Resource Implications

Financial

- 2.1 The impact of changes to 2015/16 charges have been incorporated into the Service's revenue budget following approval at Full Council on 12 February 2015 of the Council's Revenue Budget for 2015/16.

3. Assessments

Equality Impact Assessment

- 3.1 Under the Equality Act 2010, the Council is required to eliminate discrimination, advance equality of opportunity, and foster good relations between equality groups. Carrying out Equality Impact Assessments for plans and policies allows the Council to demonstrate that it is meeting these duties. The Equality Impact Assessment undertaken in relation to this report can be viewed clicking [here](#), or a copy can be provided on request.
- 3.2 The proposals have been considered under the Corporate Equalities Impact Assessment process (EqIA) with the following outcome:
- (i) Assessed as **not relevant** for the purposes of EqIA

Strategic Environmental Assessment

- 3.3 Strategic Environmental Assessment (SEA) is a legal requirement under the Environmental Assessment (Scotland) Act 2005 that applies to all qualifying plans, programmes and strategies, including policies (PPS). The proposals have been considered under the Act and no further action is required as it does not qualify as a PPS as defined by the Act and is therefore exempt.

Sustainability

- 3.4 Under the provisions of the Local Government in Scotland Act 2003 the Council has to discharge its duties in a way which contributes to the achievement of sustainable development. In terms of the Climate Change Act, the Council has a general duty to demonstrate its commitment to sustainability and the community, environmental and economic impacts of its actions.

4. Consultation

Internal

- 4.1 TES Service Managers with responsibility for the charges detailed in Appendix 1 have been consulted in the preparation of this report.

2. BACKGROUND PAPERS

No background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) were relied on to any material extent in preparing the above report.

3. APPENDICES
